Information about this report

Notes

The Portfolio valuation report excludes any 'unfilled share trades' and 'pending managed fund sell orders' if settlement details are not known at the date of this report. All pending transactions and unsettled trades are indicative only. Prices are the latest available prices for the selected report date.

Managed fund unit prices are generally provided by Morningstar Australasia Pty Ltd, ABN 95 090 665 544.

Australian listed security share prices are generally provided by the ASX Limited, ABN 98 008 624 691.

The value displayed for joint accounts is the total value of the account.

The value of accrued income as portrayed on this report is a notional value. It is provided only as an approximation of the sum total of income deemed to have accrued from those investment holdings in your portfolio, where the rate of return is a prescribed rate of return per the Product Disclosure Statement for the respective investments. Differences between the amounts of accrued income deemed to have accrued over time and the actual return of the investment, if and when it is paid in the future, is the sole and exclusive responsibility of the respective investment manager.

If you are a participant in one or more dividend or distribution reinvestment plans (DRPs), your participation in each DRP (including the treatment of any residual amounts which have not been applied to acquire additional securities) is governed by the rules of that DRP as set by the issuer of the applicable securities from time to time. Any residual amounts that you may be entitled to upon ceasing to participate in a DRP are not included in your account balance.
