Hi Rach

Rosario was made redundant on 21/11/2014, which means he has now met a condition of release and can access his whole benefit as he is over 60.

Cheers

Dave

Hi David,

I've recently been made redundant and do not look likely to re-join the work force. I may be eligible for a disability pension, how will this affect my superfund or alternatively how will the super fund affect the disability pension if I'm eligible.

Regards
Rosario Russo
