Hi Shaw

Looks like you paid the ASIC fee of \$55 on 11 January 2021. The notices are going to your address at Cannon Hill. Nothing we need to worry about here.

Regarding the Super Fund's tax, you can reimburse yourself for the \$611.90 when the Fund has the cash, or you can leave the \$611.90 in the Fund. Up to you.

Kind regards

Liz

Shaw is interested in splitting his super contributions to his wife.
She is not working
He would like her to have 50% of the SMSF

The whole amount may not be split. Just enough to even it up.

At present, Shaw's super is going to AMG

So may not be possible this year.
