Your tax statement summary excludes franking credits where we have determined that you have not held the investment for the required holding period (45 or 90 days). If you are an individual with total franking credits of less than \$5,000 from all investments, you may be eligible to claim all franking credits. Please refer to Panorama tax guide for more information.

Dividends are recorded on a cash basis, based on their pay date. Dividends included here are received from direct holdings, and not through trust distributions.
