Hi Rach,

Both are NCCs for Sheryle and no previous bring forward arrangements in place as per the ATO website, see attached.

\$167k was a result of cashing in a couple of investments outside of the fund and \$30k was re-investing the super withdrawals we did earlier this year.

Stephen & Sheryle

Hi Stephen & Sheryle,

Hope you are both well.

We are looking at finalising your super fund's financials this week. Could you please:

1. Confirm the following deposits are Sheryle's non-concessional super contributions?

- 23/05/2022 \$167,833.13
- 17/06/2022 \$30,000.00

Please note that if the total \$197,833.13 is Sheryle's, she will trigger bring forward non-concessional super contributions.

You will need to check that she has not triggered this in 2019/2020 and 2020/2021 financial years.

To do so, log into your MyGov accounts, click on ATO service, under Super Tab, click on Bring forward.

If the deposits are non-concessional super contributions are for both members, please advise how much for each member?

If Sheryle wants to claim a tax deduction for any of the super contributions, please let us know how much she would like to claim.

I will give you a call this week to discuss. Might take 10-15 minutes. Let me know when works for you best.

If you have any questions, please feel free to contact me.

Kind regards,

Rach
