## Objection to rating category

Mackay Regional Council has identified the category each property falls into based on its use as shown on the front of this notice. If property owners are not satisfied with the category allocated, they are able to object to council within 30 days of the issue date of rates on the reverse side.

Objections must be made on an official form available from [www.mackay.qld.gov.au](http://www.mackay.qld.gov.au) or Council's Customer Service Centre. The sole ground on which the owner may object is that their land should have been included in a different rating category. Property owners must pay their rates issued, even if they have an objection pending in order to claim their discount.

If the owner's land is included in a different rating category because of a successful objection, an adjustment of the rates will be made.

## Overseas residents

Are requested to forward remittances by bank draft in Australian currency to avoid any short payment as a result of currency fluctuations.

## Cheques, money orders and postal notes

Cheques, money orders or postal notes must be made payable to Mackay Regional Council and crossed "Not Negotiable". Change cannot be given on cheques.

Property owners will be liable for any dishonour fees and discount will be lost where cheques are dishonoured and not rectified prior to the discount date. Acceptance of a cheque is subject to collection of the proceeds.

## Direct Debit

Arrangements can be made with council to pay by direct debit from a cheque or savings account.

## Unpaid Rates

Rates and charges are levied by the Mackay Regional Council by virtue of the *Local Government Act 2009* as amended on the land described, for the period on the notice. If you are experiencing financial difficulties and cannot pay this notice by the due date, please contact our Customer Service Centre for payment arrangement options. Where rates and charges are not paid in full by the due date listed on the notice and an authorised payment arrangement is not in place and being maintained, they become subject to recovery action (and associated charges).

## Discount

Discount has been calculated at the rate of 10% of rates and charges identified with an "#" with the total available shown on the front of this notice. Discount will only be granted where the net amount of all Council rates and charges including any arrears are received by Council or its agents on or before the prompt payment due date. For electronic payments, please consult your financial institution for relevant processing cut-off times. Where posting payments please make allowance for postal delivery timeframes.

## Interest

Compound interest at the rate of 9.83% per annum is payable from the end of the half year in which a rate falls due.

**PRIVACY DISCLAIMER:** Mackay Regional Council and its contracted agents comply with the provisions of the Information Privacy Act 2009. Council collects personal information solely to meet its statutory obligations and regulatory requirements (including services in the public interest such as Rural Fire Services via Queensland Fire and Emergency Services). We will not otherwise use your personal information without your written authorisation or as we are required to by law.

## Change of postal address / ownership
