3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

**REVIEW OF INVESTMENT STRATEGY:**

The fund's investment performance for the year ended 30 June 2020 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and
6. the effect of the fund's investments on the above requirements and all matters relating to the prudential nature of the investment being continuously monitored, regularly reviewed and to make sure they adhere to fund's investment objectives and relevant legislation.

Dear Colin &amp; Patricia

**Audit of Walker Family Super Fund**

Thank you for your request to complete the compliance and financial audit of the Walker Family Super Fund for the 2021, 2022 and 2023 financial years. We accept the engagement for these 3 financial years and have outlined below our understanding of the terms of this engagement, our responsibilities, and the process we will undertake to complete the audit.

This letter will cover the financial years mentioned above unless we advise you of any changes to our engagement terms and in this case, we will issue you with a new engagement letter. Either party has the right to terminate this agreement upon written notice to the other party.

Following your review of the terms of this engagement and the process we intend to undertake, we would appreciate it if you would acknowledge your agreement to the terms and conditions by signing at the end of the letter (where indicated) and return it to us. We will begin work once we have received this confirmation from you.

**Scope**

The audit will conform to the requirements of the *Superannuation Industry (Supervision) Act 1993* (SIS Act), and the *Superannuation Industry (Supervision) Regulations 1994* (SISR), and will be performed in accordance with the applicable standards on assurance engagements. The objectives of the audit are to express an opinion on the financial reports and compliance of the fund with the following specified requirements of the *SIS Act* and *SISR*:

- *SIS Act*: 17A, 35A, 35B, 35C(2), 52(2)(d), 52 (2)(e), 62, 65, 66, 67, 67A, 67B, 69-71E, 73-75, 80-85, 103, 104A, 109, 126K.
- *SISR*: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

Our procedures will include examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial reports, evaluation of accounting policies and significant accounting estimates, and the fund's compliance with its *SIS Act* obligations. These procedures will enable us to form an opinion as to whether, in all material respects:

- The financial reports:
  - are presented fairly in accordance with the accounting policies described in the notes to the financial statements; and
  - fairly represent the financial position of the fund and its operating results at balance date.
- The Trustee has complied with the obligations under the *SIS Act* and *SISR* that we are required to audit.

Our audit tests will not be performed continuously throughout the period and will not cover every provision of the *SIS Act* or *SIS Regulations* nor will they detect all instances of non-compliance.

The work undertaken by us to form an opinion is based on our judgment regarding the nature, timing and extent of audit procedures for gathering audit evidence and the drawing of conclusions based on that evidence. It is important to note that most audit evidence is persuasive rather than conclusive and that there are inherent limitations in any audit. As a result, our audit can only provide reasonable, not absolute, assurance that the financial statements are free of material misstatement and the trustees have complied with the specified requirements of the *SIS Act* and *SISR*.

We confirm that Ed Glasson (Director) is an approved auditor as defined by *regulation 1.04(2) of the SISR*.

We will provide the Trustees with a written report that:

- identifies any contravention of the *SIS Act* and the *SISR*;
- summarises the findings of the audit, any action taken or proposed by the trustees, and any recommendations regarding administrative procedures or systems of the fund; and
- provides an opinion on whether:
  - the financial report represents fairly the financial position of the fund, its results of operations and its cash flows; and
  - the fund has complied with the relevant provisions of the *SIS Act* and the *SISR* during the income year.

Where any breaches have occurred, we are required to determine whether or not these are reportable breaches. The ATO provides a series of tests that must be applied in making this determination. A contravention report must be completed and lodged with the ATO for any reportable breaches. For funds that are less than 15 months old at balance date, every contravention above \$2,000 must be reported. We will advise you of reportable breaches that we identify.

#### **Trustee's obligations**

Responsibility for the preparation of financial reports including adequate disclosure is that of the Trustees of the fund. This includes the maintenance of adequate accounting records and internal controls, the selection and application of accounting policies the safeguarding of the assets of the fund and compliance with the requirements of the superannuation legislation. These duties are imposed upon the Trustees by the trust deed and the *SIS Act*. The Trustees are required to keep minutes of meetings, reports and records of changes of Trustees for ten years.

As part of our audit process, we may request the Trustees to provide us with written confirmation regarding any representations made to us in connection with the audit.

We look forward to your full co-operation and trust that you will make any records, documentation and other information required in connection to our audit available to us.

#### **Quality control**

In the course of our engagement we will prepare various working papers and notes consistent with our internal quality control system. These working papers remain the property of our firm and will be retained by us to support any future queries on work completed. Original source records provided by you to us to assist in the completion of your work will be returned to you at the completion of each engagement. Where appropriate we may take copies to retain on your client file.

#### **Confidentiality**

The conduct of our audit in accordance with Australian Auditing Standards means that information acquired by us in the course of the audit is subject to strict confidentiality requirements. Information will not be disclosed by

us to other parties except as required or allowed for by law or professional standards, or with your express consent.

We will treat as confidential and maintain the confidentiality of all information and records that you provide to us. This information will only be disclosed to a third party where you provide specific authority for us to provide this information to them, or where we are subject to a legal duty or professional standard to disclose the information.

From time to time during the completion of your work, we may engage various staff and or contract personnel who we consider appropriate for the completion of your work. These personnel will have access to your fund records only for the purpose of completing the audit engagement agreed. In all cases these personnel will be subject to our supervision and control.

Our audit files may be subject to review as part of the quality control review program of *The Institute of Chartered Accountants in Australia* which monitors the compliance of its members with professional standards. By signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under this program. Should this occur, we will advise you. Under this review program the same strict confidentiality requirements that apply to us, apply to the reviewer.

#### **Fees**

Our fees, which attract GST, are based on the time spent and the associated risks of the audit engagement. If you require an estimate of the cost, please contact me.

Our fee will be included as an outlay on the invoice you receive from Virtu Super and payment will be required to be made directly to Virtu, who will in turn make payment of the audit fees.

This letter will cover both the current and future years unless we advise you of any changes to our engagement terms and in this case, we will issue you with a new engagement letter.

If we can assist you with any information on this matter or can assist you in any other way, please do not hesitate to contact us by phoning (07) 3422 8000 or email to [EdwardG@mtaccountants.com.au](mailto:EdwardG@mtaccountants.com.au).

WALKER FAMILY SUPERANNUATION FUND  
INVESTMENT OBJECTIVES AND STRATEGIES

**Investment Objective:**

The sole purpose of the fund is to provide benefits to Members upon their retirement, attaining a specified age, death or on health or financial reasons.

The objective of the Fund is to achieve reasonable long term growth with moderate fluctuations in return. The average investment return for the plan should be at least 1.0% per annum above inflation (CPI) when measured over a three year period.

**Investment Strategy:**

The trustees, have set the following strategy and guidelines for investment of funds belonging to the Fund having regard to the following:

- the risk of the investment;
- the diversity of investments of the Fund as a whole;
- the liquidity of the investment; and
- the ability of the fund to discharge its present and future liabilities.

The overall strategy is to invest in either cash, real property, shares, unit trusts or a combination thereof for the purpose of providing the members of the plan with long term growth. Whilst the trustees are conscious of the need to provide the members of the plan with capital gains over the medium to long term, they are also conscious of the need to diversify and spread the risk associated with investment in growth assets.

In making a decision on the types of investments made by the Fund, the Trustees have consulted with the members in this regard. They have taken into account the members overall risk profile and their concerns about various investment opportunities.

With this in mind, the trustees will, from time to time, seek professional investment advice in order to assist in the process of determining what investments are suitable for the Fund and also taking into account the concerns of the members.

The trustees also acknowledge the need to invest in areas where some assets can be readily converted to cash, thus allowing benefits to be paid when they fall due.

Taking the above into account, the trustees have determined that the following guidelines should be adhered to in placing and reviewing investments by the Fund in the coming 12 month period.

	From		To
Australian Equities	_____ %	-	_____ %
Australian Fixed Interest	_____ %	-	_____ %
Cash	_____ %	-	_____ %
Direct Property	_____ %	-	_____ %
International Equities	_____ %	-	_____ %
International Fixed Interest	_____ %	-	_____ %
Listed Property	_____ %	-	_____ %
Mortgages	_____ %	-	_____ %
Other	_____ %	-	_____ %

This plan's strategy will be reviewed on occasion and updated if any modifications are required.

In addition, the trustees have held discussions with each of the members and considered whether or not it is appropriate for the fund to provide any of the following types of insurance cover for each member:

- Life insurance
- Total & Permanent Disablement (TPD) insurance
- Income Protection Insurance

Each member's individual insurance needs will be considered by the trustees on an annual basis

## NOTES FOR PERSONS SIGNING SUPER FUND INCOME TAX RETURNS

These notes should be read carefully by each person signing an income tax return, in light of their knowledge of their own affairs, to ensure there are no inaccuracies in the return.

### RESPONSIBILITIES

Whilst we have exercised due care in preparing the returns from information supplied to us, the provisions of the *Income Tax Assessment Act* place the responsibility for the contents of the returns (including the need to obtain the necessary substantiation records) with the taxpayer. Accordingly, would you please check the details disclosed in the returns to satisfy yourselves that the returns are correct.

### SELF ASSESSMENT

As you would be aware, self assessment system of income tax returns is now in full force for individuals. That is, the Australian Taxation Office will accept and issue assessments based on the income tax return that is lodged, generally without any query.

This does not mean the Australian Taxation Office accepts the information contained in the return and at a later date it may request further information in relation to the claims you have made in your return.

Self assessment has not only shortened lodgement deadlines but has greatly increased the burden of paperwork to be prepared and retained by tax agents. We are now required to prepare detailed work papers which must be retained on our files for production to the Australian Taxation Office if required at a future date.

### TRUE AND FULL DISCLOSURE

Your attention is drawn to the following important considerations to ensure the correctness of each income tax return:

- that income from all sources has been disclosed;
- that all deductions claimed can be justified;
- that all deductions claimed for work, car and travel expenses
- can be substantiated by the required records and receipts;
- that all statements are correct and complete.

### CAPITAL GAINS TAX AND OVERSEAS INCOME

Every sale of property, of any description, should be considered for the possible application of both income tax and capital gains tax.

The world-wide income of Australian resident taxpayers is now taxable in Australia with a credit allowed for the income tax paid in a foreign country on that income.

### FALSE AND MISLEADING STATEMENTS

If an answer to a question or any statement made in an income tax return, or an attached schedule, appears to be incorrect, incomplete or misleading, please provide the information needed to amend the return.

Penalties may be imposed for an incorrect return up to double the amount of additional income tax subsequently assessed. These penalties may apply even if the error was made innocently. Alternatively, in more serious cases, prosecutions may be instituted under the *Taxation Administration Act 1953* and fines imposed by the Courts, if convicted.

### RETENTION OF RECORDS

It is a requirement that you substantiate all deductions claimed in your income tax returns. This includes keeping original documentation to verify the expenditure claimed. This documentation must be retained for 7 years. You should ensure that you retain all the documentation in a safe and secure place in case the Australian Taxation Office wishes to review these documents.
