Helping you keep your account safe and secure

We take the security of your account very seriously. It's important that you keep your Devices (such as your AMP Bank Access Card) and your Security Access Codes (such as your PIN, TelePIN, answers to secret questions, user names and passwords) safe and secure.

- Avoid using shared computers such as internet cafes and libraries for online banking and change your password regularly.
- Check your accounts regularly for unauthorised transactions.

If you suspect that someone may know your Security Access Codes or you don't recognise a transaction, call us immediately on 13 30 30. Go to **amp.com.au/securityguidelines** for more information on keeping your account safe and secure and liability for an unauthorised transaction.

If you use the 'credit' button, purchase goods online or over the phone or transact using Contactless methods on an AMP Visa Debit Card, you may be eligible for a chargeback. Visit **amp.com.au/bankdisputes** for more information.

Helping you keep your account safe and secure

We take the security of your account very seriously. It's important that you keep your Devices (such as your AMP Bank Access Card) and your Security Access Codes (such as your PIN, TelePIN, answers to secret questions, user names and passwords) safe and secure.

- Don't disclose any of your Security Access Codes to anyone.
- Choose Security Access Codes that are unique and difficult to guess. If you need to keep a record, protect it by disguising it, storing it in a safe place and separate from your Devices.
- Don't select a numeric pass code that represents your birth date, or an alphabetical pass code that is a recognisable part of your name.
- Avoid using shared computers such as internet cafes and libraries for online banking and change your password regularly.
- Check your accounts regularly for unauthorised transactions.

If you suspect that someone may know your Security Access Codes or you don't recognise a transaction, call us immediately on 13 30 30. Go to **amp.com.au/securityguidelines** for more information on keeping your account safe and secure and liability for an unauthorised transaction.

If you use the 'credit' button, purchase goods online or over the phone or transact using Contactless methods on an AMP Visa Debit Card, you may be eligible for a chargeback. Visit **amp.com.au/bankdisputes** for more information.

Make a green statement

As we're an online bank, we invite you to join us in going paperless.

Collection of tax file numbers is authorised by tax laws, the Superannuation Industry (Supervision) Act 1993 and the Privacy Act 1998. Changes to the tax file number law require Trustee to ask you to provide your tax file number to your superannuation fund. By completing this form and providing it to your fund will allow your fund trustee to use your tax file number for the purposes contained in the Superannuation Industry (Supervision) Act 1993 and for the purpose of paying eligible termination payments.

The purposes currently authorised include:

- taxing eligible termination payments at concessional rates;
- finding and amalgamating your superannuation benefits where insufficient information is available;
- passing your tax file number to the Australian Taxation Office whereby you receive a benefit or have unclaimed superannuation money after reaching the aged pension age; and
- allowing the trustee of your superannuation fund to provide your tax file number to a
 superannuation fund receiving any benefits you may transfer. Your trustee won't pass your tax file
 number to any other fund if you tell the trustee in writing that you don't want them topass it on.

You are not required to provide your tax file number. Declining to quote your tax file number is not an offence. However, if you do not give your superannuation fund your tax file number, either nowor later, you may pay more tax on your superannuation benefits than you have to.

The lawful purposes for which your tax file number can be used and the consequences of not quoting your tax file number may change in future, as a result of legislative change.
