### Please check the details

We have undertaken a significant review of our product to ensure that the product meets updated legislative requirements. Due to this review we have made some changes to your policy such as:

- we have updated the definition of who is covered under the policy, and
- we have included some tips on how you can keep your property in great shape.

Some terms have changed which may affect how much you are covered for, and the way in which you are covered. For example:

- we have updated cover limits,
- we have added some situations when you must notify us about changes to ensure your cover continues, such as if you have more than three people living in the home who are not a family member of the tenant,
- we have updated some of the exclusions, such as an exclusion if loss or damage is predominantly caused by or arises from a computer virus, hacking, cyber-attack or similar occurrence, and
- If you have any Special Conditions that apply to your policy, these may have changed or have been removed. You should review the Important Information section of your Schedule if applicable.

We want to be sure that you know exactly what you're covered for, so please read your Product Disclosure Statement (PDS) together with your Policy Schedule, as these set out the terms and conditions of your cover. You should consider whether this cover is still right for you, and whether you are concerned about any of the changes.

Your premium may have changed. We have automatically adjusted your sum insured for your Building cover and/or Contents cover (as applicable) to make an allowance for inflation and the increased costs of construction materials, goods and services (for Building cover) and replacement costs (for Contents cover).

<Please turn over for more information>

## PAYMENT OF RATES AND CHARGES

A ratepayer may pay rates and charges for the current year as specified on this Rate Notice in full by the due date or by four approximately equal instalments as shown on the front of the Rate Notice.

Where the last date for payment falls on a weekend or Public Holiday, payment should be made by the next working day (e.g. If the due date for payment for an instalment is a Saturday, the payment should be received by 5pm on the following Monday.) If you are experiencing difficulty in making payment, Council staff can assist you to enter into a suitable payment arrangement. For further information please call Council staff during office hours on (08) 8935 9961.

## PENALTY FOR LATE PAYMENT

In accordance with Section 162 of the *Local Government Act* Council has determined that penalty interest will be applied for the late payment of rates and charges calculated daily at the rate shown on the front of the Rates Notice. This penalty is calculated only on the outstanding amount from the date on which the amount was due and payable until the date the amount is paid in full.

In accordance with Section 161 of the *Local Government Act* where rates and charges are to be paid other than annually and an instalment is not paid on or before the date on which it is due and payable, all unpaid instalments become due and payable, with the late payment penalty applied to the total amount due.

## DEBT COLLECTION POLICY

Rates become due and payable in full if the instalment is not received by the due date. Should you be experiencing difficulty in paying, Council staff can assist you by entering into an arrangement to pay your rates. For this to occur it is important to contact Council as soon as possible on (08) 8935 9961 during office hours.

If there is no payment/contact, recovery of the debt will be initiated through a Debt Collection agency.

Legal expenses incurred by Council will be recovered from the ratepayer to the full extent permitted by the law.

## CHANGE OF ADDRESS

It is the Ratepayers' responsibility as the owner of a property to notify Council in writing of changes of address. In accordance with the *Local Government Act*, Council may impose a fine if not notified of the change in writing.

### Details of your policy

Your premium and your level of cover may have changed. Each year your premium is reviewed based on age, level of cover (including any Consumer Price Indexation (CPI) increase) and a range of other aspects of your policy. From time to time we may also make changes to your premium rates as part of a review of our pricing. If we do increase the premium rates on your policy, we will always notify you prior to the increase taking effect.

We want to make sure that you know exactly what you're covered for so please read your Product Disclosure Statement and Policy Document (PDS) and the details of your insurance in the attached Policy Schedule, including any discounts or loyalty bonuses that may apply to your cover with us.

As life changes, often so does your requirement for protection. Your Protection Plans policy contains many features which allow you to pause, increase or decrease your cover - so your cover and premiums can be adjusted to suit your current circumstances.

The enclosed booklet forms part of this annual notice and contains more information about your premiums, how to increase or decrease your cover, and how to make a claim.
