Taxation

Insurance premiums for cover that would meet a condition of release are generally tax deductible to the complying superannuation fund. The information on premium amounts provided above is based on the price of the insurance policy and not necessarily the amount your fund can claim as a tax deduction. The amount of premium that is deductible varies depending on the type of cover. For example, premiums for life insurance cover are fully deductible whilst premiums for trauma cover are not deductible. Premiums may only be partially deductible such as for 'own' occupation disablement cover (TPD). Please contact your adviser or accountant for further information regarding the tax deductibility of premiums to your SMSF.
