Dividend Reinvestment Plan - Residual Balance Payout

Dear Securityholder,

This advice represents payment of the residual balance held in your Dividend Reinvestment Plan (DRP) participant's account, following either withdrawal from the plan, the disposal of your shareholding, changing your shareholding from an issuer sponsored holding to a CHESS/broker sponsored holding, or your registered address has changed to a country that the DRP does not extend to.

This balance represents an amount from previous dividend payments that was insufficient for the purchase of one share, and therefore has already been included as part of your taxable income for those previous dividend payments. Please contact Computershare on the above number should you have any queries concerning this payment.
