AMP dividend

The AMP Board has declared not to issue a dividend for the 2019 reporting year. These dividends would have been paid in September 2019 and March 2020.

The decision not to declare a dividend was made in order for AMP to maintain its balance sheet strength and conservative capital management through a period of significant change. This position will be reviewed after completion of the sale of AMP Life, which is expected by 30 June 2020.

For further information please read the enclosed Annual Review and Notice of Meeting.

If you have any questions about your shareholding, please contact us using the details shown at the top of the page. Questions about AMP should be forwarded using the enclosed shareholder question form by email or post.

Regards
