LIMITED SCOPE ENGAGEMENT AGREEMENT – NO ADVICE TO BE PROVIDED

I, Alan Maurice Lawton, hereby request that Virtu Super Pty Ltd establish an SMSF upon execution of my instructions to do so.

I confirm that I have been advised that it would be in my best interest to obtain professional financial advice about the establishment of an SMSF before processing to ensure I understand the various ramifications, including whether:

- An SMSF is appropriate for my personal circumstances
- I have the time, knowledge, and skill to manage my own super fund and whether I have the assets and money to make it viable
- I understand what is involved in managing an SMSF and what it means to be a trustee
- Monies should be rolled over from existing superannuation funds into the SMSF.

I hereby confirm I do not require personal advice and I am confident that I have covered off on all relevant considerations myself. I understand that there is substantial risk in proceeding without appropriate advice.

I confirm I have not been provided with any advice by Virtu Super Pty Ltd and I seek to establish an SMSF of my own accord.

I hereby give instruction to Virtu Super Pty Ltd to establish an SMSF for me and limit the scope of the engagement to:

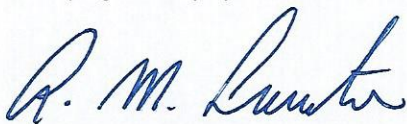

- Obtaining the required documentation to establish an SMSF and association trustee company if applicable
- Application for an ABN and TFN for the Fund
- Basic outline of the steps required to open a bank account and how to facilitate the ownership of assets
- Outline other general compliance requirements.

Virtu Super Pty Ltd is not responsible for:

- The provision of any financial advice, personal or general, about the establishment of the SMSF, rollover of monies into the SMSF and the investment strategy of the SMSF.

I hereby acknowledge that Virtu Super Pty Ltd is not responsible to me for any loss which may occur in connection to my decision to establish an SMSF.

I hereby agree to payment of all fees which are quoted by Virtu Super Pty Ltd for the establishment of the SMSF.

Alan Maurice Lawton
