Important information for home and other property owners: Protecting your property with adequate insurance is often a condition of your loan. We recommend you review the terms and conditions concerning insurance in any security you have granted to us to make sure you are complying. It's important to be sure that you have an appropriate level of insurance cover in the event of your property being damaged or destroyed. Suncorp Bank recommends that you check your cover regularly with your insurer, to evaluate your insurance needs and be sure you're fully covered. The Australian Securities and Investments Commission (ASIC) provides independent information on property insurance and the risks of underinsurance.
