In many cases, it is not the same as the adjusted or reduced cost base, or the reset cost base resulting from the CGT relief. TOTAL	\$0.00
--------------	---------------

(1) This is an estimate prepared by AUSIEX based upon units that you hold in accordance with our records. Your actual entitlement will be determined by whether or not a company's share registry shows you as owning shares at the relevant record dates. Amounts that may have been withheld for failing to provide your tax file number to your share registries are not disclosed on this report.

Dividends are estimated by AUSIEX based on the total registered Units held on the Record Date of the dividend. The following fields are estimated in accordance with the calculations outlined below:

- (a) Units = Total registered units of security held on the Record Date of the dividend
 (b) Est. Unfranked Amount = Units X Dividend per security X Unfranked %
 (c) Est. Franked Amount = Units X Dividend per security X Franked %
 (d) Est. Franking Credit = (Est. Franked Amount X company tax rate)/(100 - company tax rate)
 (e) Est. Total Dividend = Units x Dividend per security

(2) If you have total franking credit amounts greater than \$5,000, in order to be eligible to claim the benefit of the franking credit, you must have held the security for at least 45 consecutive days, not including date of purchase and date of sale. Where the 45 day holding requirement has not been satisfied, the holding period rule (also known as the 45 day rule) may apply to deny the franking credits attached to the dividend received in respect of the particular security. If that situation applies to you please speak to your tax adviser.

Please refer to your dividend statement provided by the Share Registry for any foreign tax credits you may be entitled to and breakdown of any trust distribution you may have received.

For details of the components of your ASX listed trust distributions you will need to refer to the Annual Tax Statement issued by the trust manager.

GLOSSARY

Units	The number of registered securities that you own.
Unit Price	The Portfolio Valuation 'Unit Price' is calculated using a 'Reference' Price provided by the ASX which takes into account an adjustment to determine value at Close of Market if the Security does not trade in the Closing Single Price Auction on the Valuation Date. The Unit Price in the Transaction Summary is the average price paid for each unit of stock as detailed in your contract note.
Brokerage	The fee or charge that is paid by you when transacting a buy or sell. Brokerage and costs may include advice and/or service fees charged to you by your adviser (where applicable). Refer to your adviser for further details.
Holder Identification Number (HIN)	When you are CHESSE sponsored with a Broker you will be issued a unique number, called a HIN. Multiple holdings can be registered under the single HIN. A HIN starts with the letter X and usually followed by 10 numbers, e.g. X0001234567.
Dividend	A dividend is a payment made to shareholders from the company. This payment is a portion of the company's profits. ASX listed companies typically pay dividends twice a year, usually as an 'interim' dividend and a 'final dividend'. From time to time, a company may also pay a 'special' dividend.
Ex-dividend date	The ex-dividend date occurs two business days before the company's Record Date. To be entitled to a dividend a shareholder must have purchased the shares before the ex-dividend date. If you purchase shares on or after that date, the previous owner of the shares (and not you) is entitled to the dividend.
Interim dividend	A dividend paid during a year representing a return based on the previous six months' financial performance and the outlook for the future.
Final dividend	A dividend paid during a year representing a return based on the previous twelve months' financial performance.
Special dividend	A dividend paid by the company outside typical recurring (interim and final) dividend cycle.

Record date	The record date is the date the share registries use in determining who is entitled to a dividend or entitlement associated with a security. Those who held the security in the company and were on the register on the record date are eligible for the entitlement.
Payment date	The date on which a declared dividend is scheduled to be paid.
Unfranked dividend	Dividends which do not carry a franking credit.
Franked dividend	Franked dividends are paid to security holders out of profits on which the company has already paid tax.
Franking /Imputation Credit	A franking credit is your share of tax paid by a company on the profits from which your dividend are paid. They are also known as Imputation Credits.
Total subscriptions	Total subscriptions can include, but are not limited to: ViewPoint fees, Morningstar research subscription fees and trading alerts.
Other fees	Other fees can include, but are not limited to: Off market transfer fees, conditional trading fees (added as brokerage), rejection fees, early and late settlement fees, fail fees, SRN query, rebooking fees, cheque payment fee or cheque dishonour fees and the printing and posting of contract notes.
Corporate action (CA)	Any action initiated by the company or corporation, for the purpose of giving an entitlement to shareholders.

Hi Phil,

Thanks for the statements, all received!

Can you also please provide the Rabobank HISA statement for the period 20 April 2023 to 30 June 2023?

Also, in regards to the \$100 deposit on 14/02/2023, can you please advise how you want this to be treated? The client has maxed out his non-concessional and triggered the bring forward rule for contributing \$330,000 during the year. Would you like the client to be reimbursed from the fund? Otherwise, please let me know.

Financial Services Guide

Preparation Date: 1 July 2022

What is the purpose of this financial services guide?

This financial services guide (FSG) is an important document. It is designed to assist you in deciding whether to use any of the financial services offered by us, as described in this FSG. We are required to give you an FSG if we provide certain financial services to you and you are a retail client. This FSG contains important information about:

- who we are;
- the financial services we offer;
- the financial products to which those services relate;
- how we and others are paid in connection with those services;
- your privacy;
- how we deal with complaints; and
- how we can be contacted.

This FSG is not intended for 'wholesale clients' as defined by the Corporations Act 2001 (ie professional investors). References to 'you' and 'your' refer to potential investors who are not 'wholesale clients'. This FSG is provided by:

- Challenger Life Company Limited (ABN 44 072 486 938, AFSL 234670) (Challenger Life).
- Challenger Retirement and Investment Services Limited (ABN 80 115 534 453, AFSL 295642, RSE License No. L0001304) (CRISL).

Each of the above entities are members of Challenger Limited (Challenger Limited). References to 'Challenger', 'we', 'us' and 'our' refer to each of these entities.

Are there any other documents that you will receive?

Will you receive a statement of advice?

A person who provides a retail client with personal advice (that is advice that takes into account the client's objectives, financial situation and needs) must give the client a statement of advice (SOA). We do not provide personal advice to retail clients. Accordingly, you should not expect to receive an SOA from us.

Will you receive a product disclosure statement?

Before acquiring one of our products, you should be provided with a product disclosure statement (PDS), which is designed to assist you to make an informed decision about the product. The statement will contain information about the product and will usually include the costs and details of other fees and charges which may apply, including (if applicable) any fees, or other benefits (collectively referred to as Adviser Remuneration) payable to financial advisers.

Will you receive a general advice warning?

A person who gives retail clients general advice (that is, advice that is not personal advice) must generally warn the client that the advice does not take into account the client's objectives, financial situation or needs. Where we provide you with general advice, we will also generally provide you with a general advice warning. The general advice warning will be given in the same manner as the advice is provided (ie in writing or verbally).

How do you obtain further information?

This FSG contains general information about the financial services that we provide. When providing these financial services, we act on our own behalf. If you require more information, please contact us.

Neither Challenger Life nor CRISL are authorised deposit-taking institutions for the purpose of the *Banking Act 1959* (Cth), and their obligations do not represent deposits or liabilities of an authorised deposit-taking institution in the Challenger Group (**Challenger ADI**) and no Challenger ADI provides a guarantee or otherwise provides assurance in respect of the obligations of Challenger Life and CRISL. **Accordingly, unless specified otherwise, the performance, the repayment of capital and any particular rate of return on your investments are not guaranteed by any Challenger ADI.**

Self-managed super fund trustee declaration

I understand that as an individual trustee or director of the corporate trustee of

Fund name

I am responsible for ensuring that the fund is operated in accordance with the *Superannuation Industry (Supervision) Act 1993* (SISA) and other relevant legislation. The Commissioner of Taxation (the Commissioner) has the authority and responsibility for administering the legislation and enforcing trustees' compliance with the law.

I must keep myself informed of changes to the legislation relevant to the operation of my fund and ensure the trust deed is kept up to date in accordance with the law and the needs of the members.

If I do not comply with the legislation, the Commissioner may take the following actions:

- impose administrative penalties on me
- give me a written direction to rectify any contraventions or undertake a course of education
- enter into agreements with me to rectify any contraventions of the legislation
- disqualify me from being a trustee or director of a corporate trustee of any superannuation fund in the future
- remove the fund's complying status, which may result in significant adverse tax consequences for the fund
- prosecute me under the law, which may result in fines or imprisonment.

Sole purpose

I understand it is my responsibility to ensure the fund is maintained for the purpose of providing benefits to the members upon their retirement (or attainment of a certain age) or their beneficiaries if a member dies. I understand that I should regularly evaluate whether the fund continues to be the appropriate vehicle to meet this purpose.

Trustee duties

I understand that by law I must at all times:

- act honestly in all matters concerning the fund
- exercise skill, care and diligence in managing the fund
- act in the best financial interests of all the members of the fund
- keep records of decisions made about the running of the fund, including the appointment of professional advisers and the retirement of members and payment of benefits
- ensure that my money and other assets are kept separate from the money and other assets of the fund
- take appropriate action to protect the fund's assets (for example, have sufficient evidence of the ownership of fund assets)
- refrain from entering into any contract or do anything that would prevent me from, or hinder me in, properly performing or exercising my functions or powers as a trustee or director of the corporate trustee of the fund
- allow all members of the fund to have access to information and documents as required, including details about
 - the financial situation of the fund
 - the investments of the fund
 - the members' benefit entitlements.

I also understand that by law I must prepare, implement and regularly review an investment strategy having regard to all the circumstances of the fund, which include, but are not limited to:

- the risks associated with the fund's investments
- the likely return from investments, taking into account the fund's objectives and expected cash flow requirements
- investment diversity and the fund's exposure to risk due to inadequate diversification
- the liquidity of the fund's investments having regard to the fund's expected cash flow requirements in discharging its existing and prospective liabilities (including benefit payments)
- whether the trustees of the fund should hold insurance cover for one or more members of the fund.

Accepting contributions and paying benefits

I understand that I can only accept contributions and pay benefits (income streams or lump sums) to members or their beneficiaries when the conditions specified in the law and the fund trust deed have been met.

Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from:

- giving financial assistance using the resources of the fund to a member of the fund or a member's relative (financial assistance means any assistance that improves the financial position of a person directly or indirectly, including the provision of credit)
- acquiring assets (other than business real property, listed securities, certain in-house assets and acquisitions made under mergers, allowed by special determinations or acquisitions from the trustee or investment manager of another regulated super fund as a result of a breakdown of a relationship) for the fund from members or other related parties of the fund
- borrowing money (or maintaining an existing borrowing) on behalf of the fund except in certain limited circumstances (while limited recourse borrowing arrangements are permitted, they can be complex and particular conditions must be met to ensure that legal requirements are not breached)

- acquiring an in-house asset if the fund's in-house assets exceed 5% of the market value of the fund's total assets, or the in-house assets will exceed 5% of the market value of the fund's total assets by acquiring the asset (in-house assets are loans to, or investments in, related parties of the fund – including trusts – or assets subject to a lease or lease arrangement between the trustee and a member, relative or other related party)
- entering into investments that are not made or maintained on an arm's length (commercial) basis (this ensures the purchase or sale price of the fund's assets and any earnings from those assets reflects their market value).

Administration

I understand that the trustees of the fund must:

- keep and retain for at least 10 years
 - minutes of all trustee meetings at which matters affecting the fund were considered (this includes investment decisions and decisions to appoint members and trustees, the retirement of members and payment of benefits)
 - records of all changes of trustees, including directors of the corporate trustee
 - each trustee's consent to be appointed as a trustee of the fund or a director of the corporate trustee
 - all trustee declarations
 - copies of all reports given to members
 - documented decisions about storage of collectables and personal use assets
- ensure that the following are prepared and retained for at least five years
 - an annual statement of the financial position of the fund
 - an annual operating statement
 - copies of all annual returns lodged
 - accounts and statements that accurately record and explain the transactions and financial position of the fund including asset market valuation
 - copies of Transfer balance account reports lodged
 - copies of any other statements you are required to lodge with us or provide to other super funds
- appoint an approved SMSF auditor each year, no later than 45 days before the due date for lodgment of the fund's annual return and provide documents to the auditor as requested
- lodge the fund's annual return, completed in its entirety, by the due date
- review the independent audit report received from the approved SMSF auditor and take action as required
- notify the ATO within 28 days of any changes to the
 - membership of the fund, or trustees or directors of the corporate trustee
 - name of the fund
 - contact person and their contact details
 - postal address, registered address or address for service of notices for the fund
- notify the ATO in writing within 21 days if the fund becomes an Australian Prudential Regulation Authority (APRA) regulated fund.

DECLARATION

By signing this declaration I acknowledge that I understand my duties and responsibilities as a trustee or director of the corporate trustee of the self-managed superannuation fund named on this declaration (or if the fund's name changes, that name). I understand that:

- *I must ensure this document is retained for at least 10 years or while I remain a trustee or director of the corporate trustee (whichever is longer) and, if I fail to do this, penalties may apply.*
- *Administrative penalties can be imposed on me for not complying with the legislation*
- *I may have to make this document available for inspection by a member of staff of the ATO and, if I fail to do this, penalties may apply.*

Collection of tax file numbers is authorised by tax laws, the Superannuation Industry (Supervision) Act 1993 and the Privacy Act 1998. Changes to the tax file number law require Trustee to ask you to provide your tax file number to your superannuation fund. By completing this form and providing it to your fund will allow your fund trustee to use your tax file number for the purposes contained in the Superannuation Industry (Supervision) Act 1993 and for the purpose of paying eligible termination payments.

The purposes currently authorised include:

- taxing eligible termination payments at concessional rates;
- finding and amalgamating your superannuation benefits where insufficient information is available;
- passing your tax file number to the Australian Taxation Office whereby you receive a benefit or have unclaimed superannuation money after reaching the aged pension age; and
- allowing the trustee of your superannuation fund to provide your tax file number to a superannuation fund receiving any benefits you may transfer. Your trustee won't pass your tax file number to any other fund if you tell the trustee in writing that you don't want them to pass it on.

You are not required to provide your tax file number. Declining to quote your tax file number is not an offence. However, if you do not give your superannuation fund your tax file number, either now or later, you may pay more tax on your superannuation benefits than you have to.

The lawful purposes for which your tax file number can be used and the consequences of not quoting your tax file number may change in future, as a result of legislative change.

Sole purpose

I understand it is my responsibility to ensure the fund is maintained for the purpose of providing benefits to the members upon their retirement (or attainment of a certain age) or their beneficiaries if a member dies. I understand that I should regularly evaluate whether the fund continues to be the appropriate vehicle to meet this purpose.

Trustee duties

I understand that by law I must at all times:

- act honestly in all matters concerning the fund
- exercise skill, care and diligence in managing the fund
- act in the best financial interests of all the members of the fund
- keep records of decisions made about the running of the fund, including the appointment of professional advisers and the retirement of members and payment of benefits
- ensure that my money and other assets are kept separate from the money and other assets of the fund
- take appropriate action to protect the fund's assets (for example, have sufficient evidence of the ownership of fund assets)
- refrain from entering into any contract or do anything that would prevent me from, or hinder me in, properly performing or exercising my functions or powers as a trustee or director of the corporate trustee of the fund
- allow all members of the fund to have access to information and documents as required, including details about
 - the financial situation of the fund
 - the investments of the fund
 - the members' benefit entitlements.

I also understand that by law I must prepare, implement and regularly review an investment strategy having regard to all the circumstances of the fund, which include, but are not limited to:

- the risks associated with the fund's investments
- the likely return from investments, taking into account the fund's objectives and expected cash flow requirements
- investment diversity and the fund's exposure to risk due to inadequate diversification
- the liquidity of the fund's investments having regard to the fund's expected cash flow requirements in discharging its existing and prospective liabilities (including benefit payments)
- whether the trustees of the fund should hold insurance cover for one or more members of the fund.

Accepting contributions and paying benefits

I understand that I can only accept contributions and pay benefits (income streams or lump sums) to members or their beneficiaries when the conditions specified in the law and the fund trust deed have been met.

Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from:

- giving financial assistance using the resources of the fund to a member of the fund or a member's relative (financial assistance means any assistance that improves the financial position of a person directly or indirectly, including the provision of credit)
- acquiring assets (other than business real property, listed securities, certain in-house assets and acquisitions made under mergers, allowed by special determinations or acquisitions from the trustee or investment manager of another regulated super fund as a result of a breakdown of a relationship) for the fund from members or other related parties of the fund
- borrowing money (or maintaining an existing borrowing) on behalf of the fund except in certain limited circumstances (while limited recourse borrowing arrangements are permitted, they can be complex and particular conditions must be met to ensure that legal requirements are not breached)

- acquiring an in-house asset if the fund's in-house assets exceed 5% of the market value of the fund's total assets, or the in-house assets will exceed 5% of the market value of the fund's total assets by acquiring the asset (in-house assets are loans to, or investments in, related parties of the fund – including trusts – or assets subject to a lease or lease arrangement between the trustee and a member, relative or other related party)
- entering into investments that are not made or maintained on an arm's length (commercial) basis (this ensures the purchase or sale price of the fund's assets and any earnings from those assets reflects their market value).

Administration

I understand that the trustees of the fund must:

- keep and retain for at least 10 years
 - minutes of all trustee meetings at which matters affecting the fund were considered (this includes investment decisions and decisions to appoint members and trustees, the retirement of members and payment of benefits)
 - records of all changes of trustees, including directors of the corporate trustee
 - each trustee's consent to be appointed as a trustee of the fund or a director of the corporate trustee
 - all trustee declarations
 - copies of all reports given to members
 - documented decisions about storage of collectables and personal use assets
- ensure that the following are prepared and retained for at least five years
 - an annual statement of the financial position of the fund
 - an annual operating statement
 - copies of all annual returns lodged
 - accounts and statements that accurately record and explain the transactions and financial position of the fund including asset market valuation
 - copies of Transfer balance account reports lodged
 - copies of any other statements you are required to lodge with us or provide to other super funds
- appoint an approved SMSF auditor each year, no later than 45 days before the due date for lodgment of the fund's annual return and provide documents to the auditor as requested
- lodge the fund's annual return, completed in its entirety, by the due date
- review the independent audit report received from the approved SMSF auditor and take action as required
- notify the ATO within 28 days of any changes to the
 - membership of the fund, or trustees or directors of the corporate trustee
 - name of the fund
 - contact person and their contact details
 - postal address, registered address or address for service of notices for the fund
- notify the ATO in writing within 21 days if the fund becomes an Australian Prudential Regulation Authority (APRA) regulated fund.

DECLARATION

By signing this declaration I acknowledge that I understand my duties and responsibilities as a trustee or director of the corporate trustee of the self-managed superannuation fund named on this declaration (or if the fund's name changes, that name). I understand that:

- I must ensure this document is retained for at least 10 years or while I remain a trustee or director of the corporate trustee (whichever is longer) and, if I fail to do this, penalties may apply.
- Administrative penalties can be imposed on me for not complying with the legislation
- I may have to make this document available for inspection by a member of staff of the ATO and, if I fail to do this, penalties may apply.
- I do not have access to the government's financial assistance program that is available to trustees of APRA regulated funds in the case of financial loss due to fraudulent conduct or theft.
- I declare that the information provided in the form is true and correct.

7.5 Restrictions on sale

A share on which the Company has a lien must not be sold unless:

- (a) a sum in respect of which the lien exists is presently payable; and
- (b) the Company has, not less than 14 days before the date of the sale, given to the registered holder for the time being of the share or the person entitled to the share by reason of the death, mental incapacity, bankruptcy or insolvency of the registered holder a notice in writing setting out, and demanding payment of, such part of the amount in respect of which the lien exists as is presently payable.

7.6 Effecting sale

 - i. will be registered as the holder of the share;
 - ii. is not responsible for the application of the purchase money; and
 - iii. will possess a title which is not affected by any irregularity or invalidity in connection with the sale.
- (c) After the name of the purchaser is entered in the Register, no person may impeach the validity of the sale and the remedy of any person aggrieved is in damages only and against the Company exclusively.

7.7 Application of sale proceeds

The Company will pay:

- (a) the net proceeds of any sale or disposal referred to in clauses 7.4 and 7.6 towards satisfaction of the amount in respect of which the lien exists; and

 - (b) must, on demand, be fully indemnified by the Relevant Person from all such liability;
 - (c) has a lien on the shares of that person and all dividends, bonuses and other moneys payable in respect of shares registered in the name of the Relevant Person, including shares where the Relevant Person is one of several joint holders;
 - (d) may recover as a debt due from the Relevant Person any moneys paid by the Company in respect of such liability; and
 - (e) may refuse to register a transfer of any shares by the Relevant Person until those moneys are recovered.

8 Calls on shares

8.1 Call by Directors

Subject to the Act and this Constitution, the Directors may make a call on some or all of the Members in respect of any money unpaid on their shares which is not by the terms of issue of those shares made payable at fixed times.

8.2 Payment of call

Upon receiving at least 14 days' notice specifying the time and place of payment, each Member so notified must pay to the Company at the time or times and place so specified the amount called on the shares.

8.3 Terms of call

The Directors may revoke, postpone or extend a call as they think fit, and may authorise or require a call to be paid by instalments.

8.4 Deemed time of call

A call will be deemed to have been made at the time when the Directors' resolution authorising the call was passed.

8.5 Liability of joint holders

The joint holders of a share are jointly and severally liable to pay all calls in respect of the share.

8.6 Interest on unpaid calls

If a sum called in respect of a share is not paid before or on the day appointed for payment of the sum, the Member from whom the sum is due must pay interest at a rate and on terms determined by

the Directors. Interest may be calculated from the day appointed for payment of the sum to the time of actual payment. The Directors may waive payment of interest wholly or in part.

8.7 Fixed dates for calls

- (a) Any sum that, by the terms of issue of a share, becomes payable on allotment or at a fixed date is deemed to be a call duly made and payable on the date on which by the terms of issue the sum becomes payable.
- (b) In the case of non-payment of a sum referred to in clause (a), all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

8.8 Disabilities if calls unpaid

A Member may not exercise any right as a Member (including the right to receive a dividend, to be present at any meeting, to be counted in a quorum or to vote at any meeting or on a poll) until that Member has paid:

- (a) all calls due and payable by the Member whether alone or jointly with another person, together with interest and expenses in respect of the calls; and
- (b) all other sums (if any) presently payable by the Member in respect of any shares held by the Member, whether alone or jointly with another person.

8.9 Differentiation between Members

The Directors may, on the issue of shares, differentiate between Members as to the amount of calls to be paid and the times of payment.

8.10 Payment of calls in advance

- (a) The Directors may:
 - i. accept from any Member all or any part of the money unpaid on a share in excess of the sum actually called up; and
 - ii. cause the Company to pay interest at the rate agreed between the Directors and the Member paying the sum, on the whole or any part of the amount so accepted (unless the Company in general meeting otherwise determines).
- (b) Any amount paid in advance of calls will not be taken into account in ascertaining the amount of any dividend payable on the shares in respect of which the advance is made.
- (c) The Directors may repay an amount advanced under clause (a) on giving the relevant Member one month's notice in writing.

8.11 Evidence of call

- (a) In an action or other proceedings for the recovery of a call, it is sufficient, and conclusive evidence of the debt, to prove that:
 - i. the name of the defendant is entered in the Register as the holder or one of the holders of the share in respect of which the call is claimed;
 - ii. the resolution making the call is recorded in the minute book; and
 - iii. notice of the call was given to the defendant in accordance with this Constitution,

iv. and it is not necessary to prove the appointment of the Directors who made the call or any other matter whatsoever.

(b) In this clause 8.11, reference to the term **Defendant** includes a person against whom a set-off or counter-claim is alleged by the Company and the term “action or other proceedings for the recovery of a call” is to be construed accordingly.

9 No Encumbrances

A Member must not create or give any Encumbrance over its shares in favour of any person without the prior written consent of the Company, which consent may be withheld by the Company in its absolute discretion.

10 Transfer of shares

10.1 Transfer of shares

A Member may transfer all or any of the Member’s shares by instrument in writing in any form that the Directors approve. Such instrument of transfer must be executed by or on behalf of both the transferor and the transferee.

10.2 Registration of transfers

A transferor of shares remains the holder of the shares transferred until the transfer is registered and the name of the transferee is entered in the Register in respect of the shares.

The Directors are not required to register a transfer of shares in the Company unless:

- (a) the instrument of transfer has been duly stamped (if required by Law);
- (b) the instrument of transfer has been lodged at the Company’s Office;
- (c) any fee payable on registration of the transfer has been paid; and
- (d) the Directors have been given all the information they reasonably require to establish the right of the transferor to make the transfer.

The Directors may, in their discretion and without assigning any reason, refuse to register a transfer of shares in the Company.

The Directors may suspend the registration of transfers of shares in the Company at such times and for such periods as they determine. The period of suspension must not exceed in the aggregate 30 days in any calendar year.

11 Forfeiture of shares

11.1 Default

If a Member fails to pay a call or instalment of a call on or before the day appointed for payment of the call or instalment, the Directors may, at any time after that date, serve a notice on such Member requiring payment of the unpaid amount of the call or instalment, together with any interest and all expenses that the Company has incurred by reason of the non-payment.

11.2 Notice of forfeiture

The notice referred to in clause 11.1 must:

- (a) specify a day at least 14 days after the date of service of notice and a place at which the call or instalment and the interest and expenses referred to in clause 11.1 are to be paid; and

- (a) The Directors may appoint one or more Directors to be Managing Director of the Company. The appointment of Managing Director will be for such period and on such terms as the Directors think appropriate.
- (b) The Directors may, subject to the terms of any agreement entered into in a particular case, revoke any appointment of Managing Director.

20.2 Ceasing to hold office

A Managing Director:

- (a) is subject to the same provisions as to resignation and removal as a Director as the other Directors of the Company; and
- (b) immediately ceases to be a Director if he or she ceases to be a Managing Director.

20.3 Powers

- (a) The Directors may on such terms and conditions and with such restrictions as they think appropriate, confer on a Managing Director any of the powers exercisable by the Directors.
- (b) Any powers so conferred may be concurrent with, or be to the exclusion of, the powers of the Directors.
- (c) The Directors may at any time withdraw or vary any of the powers so conferred on a Managing Director.

21 Alternate Directors

21.1 Power to appoint an Alternate Director

- (a) Subject to clause (b) and with the other Directors' prior written approval, a Director (**Appointing Director**) may appoint an Alternate Director to exercise some or all of the Appointing Director's powers either indefinitely or for a specified period. An Alternate Director need not be a Director or Member.
- (b) A Managing Director must not appoint an Alternate Director to act as Managing Director.

21.2 Appointment

The appointment of an Alternate Director must be in writing and a copy given to the Company.

21.3 Rights and powers

- (a) An Alternate Director:
 - i. is entitled to notice of each Directors' meeting and if the Appointing Director is not present at any such meeting, the Alternate Director may attend and vote at that meeting in the Appointing Director's place; and
 - ii. is otherwise entitled to exercise all the powers of the Appointing Director in the Appointing Director's place (unless the appointment was limited to some only of the Appointing Director's powers, in which case the Alternate Director may only exercise those powers).

- (b) When an Alternate Director exercises the Appointing Director's powers, the exercise of the powers is just as effective as if the powers were exercised by the Appointing Director.

21.4 Alternate Director is not agent of appointor

An Alternate Director is responsible to the Company for his or her own acts and defaults as if the Alternate Director were an ordinary Director and is not deemed to be an agent of the appointing Director.

21.5 Termination of appointment

- (a) The Appointing Director may terminate the Alternate Director's appointment at any time.
- (b) The termination of an Alternate Director must be in writing and is not effective until a copy is given to the Company.
- (c) In any case, the appointment of an Alternate Director terminates when the Appointing Director ceases to hold office as Director.

22 Secretary

A Secretary of the Company holds office on such terms and conditions, as to remuneration and otherwise, as the Directors determine.

23 Records and inspection

- (a) The Directors must ensure that proper accounting and other records of the Company are kept and where required, distributed, in accordance with the requirements of the Act.
- (b) The Directors must determine whether and on what terms the accounting records and other documents of the Company or any of them will be open to the inspection of Members other than Directors.
- (c) A Member other than a Director does not have the right to inspect any document of the Company except as provided by the Act or authorised by the Directors or by the Company in general meeting.

24 Dividends and reserves

24.1 Prohibition on distribution of income or property to members:

The Company must not distribute any of the income or property of itself to any member by dividend or in any other manner.

25 Capitalisation of profits

25.1 Authority to capitalise

The Company may, by ordinary resolution in general meeting and on the recommendation of the Directors, resolve that:

- (a) it is desirable to capitalise any sum, being the whole or part of the amount for the time being standing to the credit of any reserve account or profit and loss account or otherwise available for distribution to Members; and

- (b) that sum may be applied, in any of the ways mentioned in clause 25.2, for the benefit of Members in the proportions to which those Members would have been entitled in a distribution of that sum by way of dividend.

25.2 Appropriation and application

A sum distributed to Members in accordance with clause 25.1 may be applied:

- (a) in paying up any amounts unpaid on shares held by Members; or
- (b) in paying up in full unissued shares or debentures to be issued to Members as fully paid.

25.3 Adjustment of Members' rights

The Directors must do all things necessary to give effect to a resolution referred to in clause 25.1 and, in particular, to the extent necessary to adjust the rights of the Members among themselves, may:

- (a) issue fractional certificates or make cash payments in cases where shares or debentures become issuable in fractions; and
- (b) authorise any person to enter into, on behalf of all the Members entitled to any further shares or debentures on the capitalisation, an agreement with the Company providing for the issue to them, credited as fully paid up, of any further shares or debentures or for the payment by the Company on their behalf of the amounts or any part of the amounts remaining unpaid on their existing shares by the application of their respective proportions of the sum resolved to be capitalised,

and any agreement made under an authority referred to in clause (b) is effective and binding on all the Members concerned.

25.4 Distribution

- (a) If a distribution of capitalised profits is made on more than one class of shares, the distribution made on the shares of any particular class may be at a higher, lower or at the same rate as the distribution made on the shares of another class,
- (b) provided that the shares in any one class participate equally among themselves in any distribution made of capitalised profits in respect of that class.
- (c) There can be no objection to any resolution which declares a higher rate of distribution on the shares of any class or classes than the distribution made on the shares of any other class or classes.

26 Power of Attorney

26.1 Appointment of Attorney

Each Member (**Appointor**) irrevocably appoints the Company (**Attorney**), as its agent and attorney, with power to do everything necessary or expedient in the name of the Appointor and on its behalf to give effect to any of the transactions contemplated by this Constitution to the extent that the Appointor has failed to act in the manner required by this Constitution, including to:

- (a) settle, execute and deliver in the name of the Appointor and on its behalf all documents necessary to give effect to the transactions contemplated by this Constitution and all documents that are contemplated by or reasonably, ancillary or incidental to any such document, including conveyances, assignments, novations and transfers;

- (b) do everything necessary or expedient in the name of the Appointor and on its behalf to complete the transactions contemplated by this Constitution; and
- (c) exercise any rights attaching to the Appointor's shares, including voting rights, rights to appoint a proxy or representative, rights to attend and speak at a meeting of members of the Company and agree to such meetings being called on short notice.

The Attorney may:

- (d) appoint or remove any substitute, delegate or sub-attorney at any time; and
- (e) exercise its rights and powers under this clause 26:
- (f) in its own name or in the name of the Appointor; and
- (g) even if it benefits from the exercise of the rights or powers.

26.2 Further acts

The Appointor declares that all acts and things done by the Attorney and its substitutes, delegates and sub-attorneys in exercising rights and powers under this clause 26 will be as good and valid as if they had been done by the Appointor and agrees to:

- (a) ratify and confirm whatever the Attorney and its substitutes, delegates and sub-attorneys do, or cause to be done, in lawfully exercising their rights and powers under this clause 26;
- (b) indemnify the Attorney and its substitutes, delegates and sub-attorneys against all claims, demands, costs, charges, expenses, outgoing, losses and liabilities arising in any way in connection with the lawful exercise of their rights and powers under this clause 26; and
- (c) deliver to the Attorney on demand any power of attorney, instrument of transfer or other instruments as the Attorney may require for the purposes of this clause 26.

26.3 Irrevocable

The Appointor declares that the rights and powers granted to the Attorney under this clause 26 are given for valuable consideration and are irrevocable.

27.1 How notice to be given

A Member may, by written notice to the Secretary left at or sent to the Office, require that all notices to be given by the Company or the Directors be served on the Member's representative at an address specified in the notice.

The Company may give a notice to any Member by:

- (a) serving it on the Member personally;
- (b) properly addressing, prepaying and posting the notice to the Member or leaving it at the Member's address as shown in the Register or the address supplied by the Member to the Company for the giving of notices;

- (e) giving it by any other means permitted or contemplated by this clause 26 or the Act.

27.2 When notice is given

A notice is deemed to be given by the Company and received by the Member:

- (a) if delivered in person, when delivered to the Member;
- (b) if posted, on the day after the date of posting to the Member, whether delivered or not; or
- (c) if sent by email or other electronic means, on the day after the date of its transmission,
- (d) but if the delivery or receipt is on a day which is not a Business Day or is after 4.00 pm (addressee's time), it is deemed to have been received at 9.00 am (addressee's time) on the next Business Day.

27.3 Notice to joint holders

A notice may be given by the Company to joint Members by sending the notice to the joint Member first named in the Register or to an alternative address (if any) nominated by that Member.

28 Winding up

If the company is wound up, the liquidator may, with the sanction of a Special Resolution of the Company, divide amongst another organisation or organisations having the same object, the whole or any part of the assets of the company irrespective as to whether they are the same property or not.

29 Indemnity

29.1 Interpretation

In this clause 29:

- (a) **proceedings** means any proceedings, whether civil or criminal, being proceedings in which it is alleged that the person has done or omitted to do some act in their capacity as an officer of the Company (including proceedings alleging that they were guilty of negligence, default, breach of trust or breach of duty in relation to the Company); and
- (b) **officer** has the meaning given to that term in section 9 of the Act.

29.2 Scope of indemnity

In addition to any other indemnity provided to an officer of the Company in accordance with the Act, and to the extent permitted by the Act and any applicable Law:

- (a) every officer of the Company will be indemnified out of the assets of the Company against any liability incurred by them in relation to the execution of their office;
- (b) no officer of the Company is liable for any loss or damage incurred by the Company in relation to the execution of his or her office;
- (c) every officer of the Company will be indemnified out of the assets of the Company against any liability which he or she incurs:
 - i. in defending any proceedings, whether civil or criminal, in which judgment is given in favour of the officer or in which the officer is acquitted;

- ii. in connection with any application, in relation to any such proceedings, in which relief is granted under the Act to the officer by the Court; and
- (d) every officer of the Company will be indemnified out of the assets of the Company against any liability to another person (other than the Company or a Related Body Corporate of the Company) where the liability is incurred by the officer in their capacity as an officer of the Company, provided that this indemnity will not apply where the liability arises out of conduct involving a lack of good faith.

29.3 Insurance

In addition to the payment of any other insurance premium by the Company in accordance with the Act, and to the extent permitted by the Act and any applicable Law, the Company may pay the premium in respect of a contract insuring an officer of the Company against a liability:

- (a) incurred by the officer of the Company in his or her capacity as officer, provided that the liability does not arise out of conduct involving a wilful breach of duty in relation to the Company or a contravention of sections 182 or 183 of the Act; or
- (b) for costs and expenses incurred by that officer of the Company in defending proceedings, whatever their outcome.
