Dear Sir / Madam,

**Trustee Representation**  
**Albrecht Family Superannuation Fund**

We refer to your audit of our superannuation fund for the 2020 financial year. As trustee of the fund we make these representations to you in connection with your audit. We believe that to the best of our knowledge:

1. The fund is not a reporting entity and the special purpose financial report is for distribution to fund members. The preparation of the financial report satisfies the requirements of the *Superannuation Industry (Supervision) Act 1993* (SIS Act) and the SIS Regulations (SISR);
2. The financial statements of Albrecht Family Superannuation Fund for the year ended 30 June 2020 are presented fairly in all material aspects, in accordance with the accounting policies adopted and as set out in the notes to the accounts; and
3. The operations of the fund during the income year ended 30 June 2020 were conducted in accordance with the requirements of the SIS Act and SISR.

This letter is provided in connection with your audit of the financial statements and your determination of Albrecht Family Superannuation Fund's compliance with the SIS Act and SISR for the year ended 30 June 2020. This letter should aid you in expressing an opinion as to whether:

- The financial statements are, in all material aspects, presented fairly and in accordance with the accounting principles adopted by the fund and as set out in the notes to the financial statements; and
- Whether Albrecht Family Superannuation Fund has complied, in all material aspects, with the SIS Act and SISR.

We acknowledge our responsibility for:

- Ensuring the financial statements are in accordance with the financial policies set out in the notes to the financial statements and that the financial report is free of material misstatement (including omissions); and
- Ensuring the fund is maintained in accordance with the provisions of the SIS Act and SISR.

**Financial Statements**

We confirm, to the best of our knowledge and belief, the following representations:

**Accounting policies**

All the significant accounting policies of the fund are adequately described in the financial statements and notes to the accounts. The applicable policies are consistently applied. If in the event that there are exceptions, these are noted below.

**Financial records, related data and minutes**

- All financial statements, records and related data have been made available to you, including minutes of the trustees' meetings and the Trust Deed.

**Fraud, error and non-compliance**

There has been no:

- Fraud, error, or non-compliance with the laws and regulations by persons who are involved in the internal management of the Albrecht Family Superannuation Fund;
- Fraud, error, or non-compliance with laws and regulations that could have a material effect on the financial reports of Albrecht Family Superannuation Fund; and
- Communications from regulatory agencies concerning non-compliance with or deficiencies in the financial reporting practices of Albrecht Family Superannuation Fund.

### **Internal controls**

We acknowledge our responsibility for the design and implementation of internal controls to prevent and detect errors in the financial reports of Albrecht Family Superannuation Fund. We have established adequate internal controls and maintained these controls. There are no material transactions that have not been properly recorded in the records underlying the financial report.

### **Investments**

Investments are carried in the books at market value. These amounts are considered reasonable in the present circumstances.

There are no commitments, fixed or contingent, for the purchase or sale of investments.

### **Related parties**

Related party transactions and related amounts receivable or payable have been properly recorded and identified in the financial statements.

Any transactions that occur with related parties are conducted at arm's length.

### **Subsequent events**

No events or transactions have occurred since 30 June 2020 that would require adjustment and/or disclosure in the notes to the financial reports. We have no plans or intentions that may materially affect the carrying values or classification of assets and liabilities of the fund as they are reported at 30 June 2020.

Where we are aware of such an event or transaction occurring, we will notify the Auditor.

### **Requirements of the SIS Act**

We confirm, to the best of our knowledge and belief, the following representations:

#### **Sole purpose of the fund**

The sole purpose of the fund is to provide retirement and/or death benefits to its members and/or beneficiaries.

#### **Asset form**

The fund's assets are held in a form suitable for the benefit of the members of the fund and are in line with the investment strategy of the fund.

#### **Ownership and pledging of assets**

- The fund has satisfactory title to all assets appearing in the balance sheet. Investments are registered in the name of the trustee as trustee for Albrecht Family Superannuation Fund
- No assets of the fund have been pledged to secure liabilities of the fund or of others.
- The trustee is not aware of any assignment or charge over the Fund's assets.

#### **Trustees covenants**

The trustee has complied with all the Trustee Covenants set out in section 52 of the SIS Act. These trustee covenants require the trustee to:

- Act honestly in all matters affecting the fund;
- Exercise a degree of care, skill and diligence as an ordinary prudent person;
- Act in the best interests of the beneficiaries;
- Keep fund assets separate from other assets, e.g. separate from the trustee's personal assets;
- Do not do anything that would impede the proper performance and function of trustee powers;

- Formulate and give effect to an investment strategy;
- Manage any fund reserves responsibly; and
- Allow beneficiaries access to certain information.

### Investment strategy

Investment transactions and the investments held by the fund are in accord with the investment strategy. The investment strategy has been determined with due regard to risk, return, liquidity and diversity. Consideration has been given for the need to hold insurance for the fund members. The trustees have reviewed the appropriateness of the investment strategy.

### Trustee not disqualified corporate trustee

The trustee of the superannuation fund is not a disqualified corporate trustee and nor are the directors of the corporate trustee disqualified persons as defined by section 120 of the SIS Act.

### Governing rules

The fund is managed in accordance with its Trust Deed and governing rules. There were no amendments to the Trust Deed during the year except as notified to you.

### Legislative requirements

The fund is managed in accordance with the SIS Act and the SISR. We have complied with the requirements to retain all accounting records and financial statements for 5 years, minutes and records of trustees' meetings for 10 years, and signed trustee declarations in the approved form for each trustee appointed after 30 June 2007 as required by the SIS Act.

### Contributions

The trustee of Albrecht Family Superannuation Fund confirm that the fund's members, for whom contributions were received, were:

- Under 65 years of age; or
- 65 to 74 years of age and gainfully employed for at least 40 hours in a consecutive 30 day period.
- Mandated employer contributions

### Fund residency

The trustees confirm the fund satisfies the requirements to be an Australian Superannuation fund, the central management and control of the fund is ordinarily located in Australia and contributions have been accepted in accordance with the residency requirements.

### Outstanding legal action

The trustees confirm that there is no outstanding legal action or claims against the fund.

**REPORTING ENTITY  
CONCEPT:**

It was resolved that, in the opinion of the trustee, the fund is not a reporting entity because it is unlikely that users exist who are unable to command the preparation of reports tailored so as to satisfy specifically all their information needs.

Therefore, the financial statements for the fund are to be prepared on the basis of the fund being a "non-reporting entity", and will therefore take the form of Special Purpose Financial Reports.

**REPORTS AND STATEMENTS:**

The Financial Reports consisting of Statement of Financial Position, Operating Statement and Notes to the Financial Statements, Trustee's Declaration, Compilation Report and Member Statement for the period ended 30 June 2020 were tabled for consideration at the meeting.

It was resolved that the financial statements be adopted in their present format and that the statement by the trustees attached to the financial reports be signed by the Trustees, stating that:

1. the financial statements are drawn up so as to present fairly the financial position of the fund as at 30 June 2020, the benefits accrued as a result of operations and its cash flow for the year then ended;
2. the financial statements have been prepared in accordance with the requirements of the trust deed and Australian Accounting Standards as noted in Note 1 to the Financial Statements and
3. the fund has operated substantially in accordance with the trust deed and the requirements of the *Superannuation Industry (Supervision) Act 1993 (SISA)*, during the year ended 30 June 2020.

**INCOME TAX RETURN:**

The completed Self-Managed Superannuation Fund Annual Return for the financial year ended 30 June 2020 was tabled for consideration at the meeting.

It was resolved that:

1. the particulars contained in the 2020 income tax return and the relevant records used to ascertain the taxable income, as shown, derived by the fund from all sources in and out of Australia during the year of income are true and correct and;
2. the fund satisfies the statutory requirements and conditions applicable to be classified as a 'Regulated Superannuation Fund/Complying Superannuation Fund' for the year of income and;
3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

**REVIEW OF INVESTMENT  
STRATEGY:**

The fund's investment performance for the year ended 30 June 2020 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and
6. the effect of the fund's investments on the above requirements and all matters relating to the prudential nature of the investment being continuously monitored, regularly reviewed and to make sure they adhere to fund's investment objectives and relevant legislation.

It was resolved that the aims and objectives of the investment strategy were being achieved and that the said investment strategy requires no further modification or adoption at this time.

**TRUSTEE AND MEMBER  
STATUS:**

Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the fund and that they are not disqualified persons as defined by Section 120 of the S/SA.

**AUDITOR:**

It was resolved that

Ed Glasson  
of  
Marsh Tincknell  
Level 1  
1454 Logan Road  
Mt Gravatt, QLD 4122

act as the auditor of the fund for the next financial year.

Dear Sir/Madam,

**RE: PAYMENT OF MY ACCUMULATED BENEFITS IN ALBRECHT FAMILY  
SUPERANNUATION FUND**

I, BARRY ROBERT ALBRECHT, am currently a member of the ALBRECHT FAMILY SUPERANNUATION FUND and, being entitled to receive payment of my accumulation benefits in the amount listed below, request that the Trustee(s) of the Fund commence to pay these benefits from the Fund as an account-based pension.

My relevant details are as follows:-

**Full Name:** BARRY ROBERT ALBRECHT  
**Address:** 30 CAIN ROAD  
LAMBELLS LAGOON NT 0822  
**Date of Birth:** 23 JULY 1951  
**Amount of My Account Balance  
to be used to Fund the Pension:** 100%

Please do all necessary things to commence payment of my pension on or as soon as possible after the 1 JULY 2020.

I am aware that amounts which the Trustee(s) deem are applicable to the establishment and maintenance of this pension are chargeable against my Member's account.

Please note that I also wish the pension to be paid with a 100% reversionary entitlement to SUSAN ENA ALBRECHT in the event of my death.

Yours Sincerely,

**PRESENT:** BARRY ALBRECHT (Chairman)  
SUSAN ALBRECHT

**ACCOUNT-BASED  
PENSION  
REQUEST:**

The Chairman tabled a letter from BARRY ROBERT ALBRECHT, a Member of the ALBRECHT FAMILY SUPERANNUATION FUND, requesting that 100% of the Member's accumulation benefit commence to be paid in the form of an account-based pension. The member has also requested that the pension include a 100% reversionary element to SUSAN ENA ALBRECHT.

The Chairman also tabled the most recent fund records available, confirming that:-

- (a) The Member is of an age when benefits may commence to be paid to the Member.
- (b) The Member has sufficient benefits in the Member's Accumulation Account which have met a Condition of Release (pursuant to the Superannuation Industry Supervision Regulations) to meet the requested amount.
- (c) The Member has sufficient benefits which have a nil cashing restriction, or the payment of an account-based pension is within the relevant cashing restriction (pursuant to the Superannuation Industry Supervision Regulations) to meet the requested amount.
- (d) The Fund's Governing Rules allows the payment of account-based pensions to Members.

**RESOLVED:** That the Trustee approves the payment of an account-based pension, representing 100% from BARRY ROBERT ALBRECHT's Accumulation Amount with a 100% reversionary element to SUSAN ENA ALBRECHT, and that the Trustee take the following steps to execute this resolution:-

1. Calculate the minimum annual amount payable as an account-based pension for the current year to BARRY ROBERT ALBRECHT pursuant to Regulation 1.06(9A)(a) of the SIS Regulations.

2. Write to the Member outlining the terms on which an account-based pension may be paid under the SIS Act and Regulations.
3. Register as a PAYG withholder with the Australian Taxation Office if required.
4. Review the Fund's Investment Strategy, in view of the fact that it now has a regular cash outflow requirement to be funded.

**CLOSURE:** There being no further business, the meeting was declared closed.

Dear Member,

**RE: PAYMENT OF YOUR BENEFITS IN ALBRECHT FAMILY SUPERANNUATION FUND**

The Trustees have met and have approved payment of 100% of your accumulation benefit in the ALBRECHT FAMILY SUPERANNUATION FUND as an account-based pension.

Your pension is subject to certain minimum standards, as set down in Regulation 1.06(9A)(a) of the Superannuation Industry Supervision Regulations. A copy of these conditions is attached.

As part of these requirements, there is a minimum amount which must be paid to you each financial year. For the present financial year, a minimum amount of **\$1,650.00** of your account balance must be paid.

The Trustees are obliged to withhold income tax in relation to certain pension payments made before age 60. Your pension may therefore be net of any taxes required to be withheld, from time to time. Where tax has been withheld, you will receive a PAYG Payment Summary at the end of each financial year outlining this amount, for inclusion with your personal income tax return for that year. The trustee is not required to withhold any PAYG tax from benefits paid to a member who is 60 years of age or over for the entire tax year and PAYG Payment Summaries are not required.

The trustees have also approved the pension with a 100% reversionary element, giving an entitlement for SUSAN ENA ALBRECHT to continue to receive this pension in the event of your death.

Please be aware there are certain costs attached to calculating and paying your account-based pension, including professional fees and other costs.

Yours Sincerely,

**SIGN**

BARRY ALBRECHT

## SUMMARY OF FEATURES OF YOUR ACCOUNT-BASED PENSION

Your Benefit, the subject of the attached letter, is an account-based **pension**. Account-based pensions have the following characteristics:-

- I. the pension payments are no less than the amount calculated in accordance with Regulation 1.06(A)(a) of the SIS Regulations (except that where a pension starts on or after 1 June in a given year, the minimum levels do not have to be met in that year).
- II. payments are made at least annually (but may be more regularly).
- III. Payments to beneficiaries between 55 and 59 years of age are taxed at a concessional rate. Payments to beneficiaries 60 years of age and over are exempt from tax.
- IV. the capital or income of the pension cannot be used as security for borrowings.
- IV. In the event of the pensioner's death, the reversion cannot be transferred to anyone other than the reversionary beneficiary and an adult child cannot be the recipient of a reversionary pension (i.e. death benefits to adult children can only be paid as lump sums).

The **minimum payment** is worked out using the following formula:-

$$\text{Account Balance} \times \text{Percentage Factor}$$

**Account Balance** means:

the value of the annuity or pension:

- A. on 1 July in the financial year in which the payment is made; or
- B. if that year is the year in which the annuity or pension payments commence - on the commencement day,

being the total amount paid as consideration to purchase the annuity or pension, as increased by returns on investments and as decreased by fees, charges, applicable taxes, payments to the annuitant or pensioner and payments made under a Splitting Order.

**Percentage Factor** means:

the percentage factor specified in Table 1, below, that applies to the beneficiary because of the beneficiary's age on:

- A. 1 July in the financial year in which the payment is made; or
- B. if that is the year in which the annuity or pension payments commence - the commencement day.

**Table 1**

Item	Age of Beneficiary	Percentage Factor
1	Under 65	4
2	65 – 74	5
3	75 – 79	6
4	80 – 84	7
5	85 – 89	9
6	90 – 94	11
7	95 or more	14

The minimum payment amount will need to be recalculated on 1 July each year. Therefore the minimum amount payable to the pensioner will change from year to year.

If the primary beneficiary or a reversionary beneficiary dies, the Pension cannot be transferred to a Child of that person (but may be paid as a lump sum), unless the Child:

- A. is less than 18 years of age; or
- B. is greater than 18 years of age, but less than 25 years of age and is financially dependent on the Member; or
- C. has a disability of the kind described in subsection 8(1) of the *Disability Services Act 1986*,

and, except in the case of a Child described in paragraph C above, such a Pension must cease no later than the Child attaining 25 years of age.

# PRODUCT DISCLOSURE STATEMENT

## MEMBER COMMENCING A PENSION

Name of Superannuation Fund: ALBRECHT FAMILY SUPERANNUATION FUND

Date of Notice: 1 JULY 2020

Name of Member: BARRY ROBERT ALBRECHT

Address of Member: 30 CAIN ROAD  
LAMBELLS LAGOON NT 0822

This Product Disclosure Statement (PDS) may be required by Part 7.9 of the *Corporations Act 2001*, as amended, to be given to members of superannuation funds changing from growth to pension phase or being issued with an interest in the above superannuation fund (the "Fund") for the first time, when the purpose of membership is to commence to receive a pension. A new interest in this Fund is considered to be granted upon the acceptance of your initial application for membership, as well as upon the making of an election to change from an accumulation or growth phase, to pension phase.

This PDS applies in respect of the Fund, so long as it remains a self-managed superannuation fund (SMSF), pursuant to the *Superannuation Industry (Supervision) Act 1993*, as amended.

Much of the information required to be provided in a PDS for a SMSF will fall into one of the following categories:-

- Information of which you are already aware (e.g. your address and contact details for the above SMSF).
- Information which your duties and responsibilities as a trustee of the above SMSF require that you be aware of, prior becoming a trustee (e.g. the terms of the trust deed and governing rules of the above SMSF).
- Where the Fund is a newly established superannuation fund, information which has not come into existence at the date of this PDS being issued (e.g. fees and charges, investment strategy and returns, etc.)

It is important to note that this information relates to your pension, not to your obligations as a trustee of the Fund. It is up to you to decide whether or not you wish to take on the responsibility of trusteeship of a SMSF, however you cannot be a member of a SMSF without also being a trustee or director of a corporate trustee of the Fund. You should separately familiarize yourself with your trustee duties.

Pursuant to Section 1013D of the *Corporations Act 2001*, as amended, the following information is provided to you:-

### **Name and Contact Details of the Product Issuer**

The above SMSF is the issuer of this PDS. The Fund's contact details are determined by you and (where applicable) your co-trustee(s) (or director(s) of a corporate trustee). They will either be your own address, or an address to which you have previously agreed and been made aware of.

### **Benefits**

The benefits available to you are set out in the above SMSF's trust deed. As a member of a SMSF, with the agreement of your co-trustee(s), you can choose any form or combination of retirement benefits legally available – you have as much flexibility as is possible.

Your primary form of retirement benefit is a "pension", as that term is defined in the *Superannuation Industry (Supervision) Regulations 1994*, however you may choose a lump sum benefit, by request made in writing at the time you wish to take your benefits. Other benefits potentially available to you

include: death benefits, total and permanent disablement benefits and total and temporary disablement benefits.

Once you have "Retired" after age 55 years, you will be entitled to commence to take your superannuation benefits. Any decision (except for the option to take a lump sum) may be verbal, but should preferably be in writing. It should be noted that the timing and types of superannuation benefits you may be entitled to take is the subject of regular legislative change. As such, you should check what options are available to you, at the time you are ready to start taking your benefits.

There may be significant taxation and other implications, should you choose to take your retirement benefits in one form or another. The area of benefits design is a complex, but critical area to ensuring the value of your superannuation savings are maximised. As such, we strongly recommend that you seek professional advice, prior to taking any benefits.

It is important to note that this SMSF is not the only fund which is capable of paying you a pension. This PDS also lists other types of superannuation funds which may offer pensions of the type which you have chosen.

### **Account-based Pensions**

You have chosen to receive an account-based Pension. Account-based Pensions have the following essential characteristics:-

- There are minimum pension amounts which you must receive each year, but no maximum pension amount. The pension payments can be made at any frequency you wish, including in a single, annual payment. These amounts are determined by referring to the table at Regulation 1.06(9A)(a) of the *Superannuation Industry (Supervision) Regulations 1994*. The amount is recalculated each year, based on the capital value of your account and your age at the start of the financial year. The amounts are gross of any tax which might need to be withheld from your pension by the Fund.
- You may cancel your Account-based Pension at any time, by writing to the trustee(s) of the Fund. You may choose to return those funds to accumulation mode, take the benefits out as a lump sum, or to start a different pension with those benefits (or a combination of the two). Cancelling an account-based Pension may have adverse tax consequences and should only be done after seeking professional advice.
- You can make partial capital withdrawals from your Account-based Pension, should you wish, however you cannot add new capital sums to your pension. Should you be entitled to make further contributions to the Fund, with a view to having them paid as a pension, you will need to start a new pension with those moneys. You can have multiple pensions running from the same superannuation fund, however the administrative costs may be somewhat higher. You can stop an existing Account-based Pension, add new contributions to it and immediately restart it with the combined balance. Should you wish to partially withdraw capital from your Account-based Pension, there may be taxation consequences. If you wish to either make further contributions or make a partial withdrawal, you should seek professional advice.
- The taxation consequences to you, personally, in relation to your pension payments are too complex to be thoroughly addressed in a PDS and should be discussed with your professional advisor, prior to commencing these payments. In summary, pension payments to members 60 years of age or older are tax-free, while pension payments to those below 60 years of age may be subject to tax, albeit at a concessional rate. In this regard, amounts considered to be a gradual return of any non-concessional contributions (previously variously referred to as undeducted contributions, post-June 1994 invalidity components, pre-1 July 1983 components, CGT concessional amounts) will be tax-free, however other amounts will be included in your normal assessable income, less a 15% rebate. The following will be taxed, but subject to a rebate: amounts considered to be from contributions for which someone (yourself or your employer) have in the past received a tax deduction; amounts which are considered to be sourced from earnings on your superannuation benefits over the years. Your advisor can discuss the taxation consequences of any pension paid to you, in your particular circumstances.
- Depending upon the Fund's trust deed and the decision of the trustee(s), any costs incurred by the Fund for establishing and maintaining your pension may be deducted from your member's account. These costs include (but may not be limited to) administrative, accounting and advice costs regarding establishment and ongoing administrative, accounting and actuarial costs which the Fund would not be required to undertake, if your Account-based Pension was not being paid.

- Should you die while in receipt of your Account-based Pension, your spouse and people meeting the definition of financial dependants (if any) have the option to continue to receive this pension in your place (called a "reversionary" pension option). It should be noted that benefits remaining in the Fund cannot be retained within the fund, if the beneficiary is a person other than a spouse or financial dependant. For example, benefits paid to non-dependant adult children must be paid out as a lump sum. Non-dependant adult children will be subject to tax on some or all of the benefits which they receive.
- Death benefits are paid in the following order: in accordance with a binding death benefit nomination (if any); in accordance with a non-binding direction from the member (subject to the trustee considering the needs of respective beneficiaries); at the discretion of the trustee, after the trustee has considered all potential beneficiaries' needs. It should note that the trustee may elect to distribute proceeds to the member's estate, for distribution in accordance with the member's Will, if the trustee is not bound.

These are the characteristics of Account-based Pensions which are important to you as a member receiving such a pension. There are additional considerations and information which will be important to you in your capacity as a trustee of the Fund, which you will need to be familiar with. You should discuss these issues with your professional advisor.

### **Nominating Beneficiaries**

You may make two different types of nominations in relation to the payment of your benefits upon your death. The first is contained in your Application for Membership of the Fund. This nomination is not binding on the trustee and may be open to challenge by any potential beneficiaries. Nevertheless, the trustee must give this nomination serious consideration and would require good reasons not to distribute in accordance with these wishes.

The second type of nomination is called a Binding Beneficiary Nomination. This nomination must meet certain forms, including being signed by two independent witnesses and at least once every three years being confirmed, modified or repealed by notice in writing from you to the trustee. The requirements to be followed in relation to Binding Beneficiary Nominations are to be found in the trust deed. You should be aware that the trustee cannot deviate from the terms of a valid, binding nomination, even if the consequences of complying with it would result in higher tax than might be possible via other avenues, or where you have changed your mind about the beneficiaries or the amounts they should receive. As such, it is important that you seek professional advice, prior to submitting a Binding Beneficiary Nomination.

### **Risks**

This SMSF is an accumulation fund. This means that amounts (including contributions, transfers and rollovers and accumulated earnings) are invested as you and your co-trustees (or director(s) of a corporate trustee) see fit.

Depending upon the investment decisions which you as trustee and any of your co-trustees/co-directors make over time, you will either accumulate investment gains (including capital and income gains) or accumulate investment losses. In some years, gains may arise and in other years, losses may arise. This will affect the balance of your member's accumulation account. As a trustee, you have both the responsibility for and control over the manner in which the Fund's investments are made and, as such, you control the risks associated with the Fund's investments.

### **Amounts Payable and Fund Expenses**

As a trustee of the SMSF, you and your co-trustee(s)/co-director(s) control any amounts which might be payable for the issue of pension from the Fund. Costs and expenses of the Fund may either be shared equitably among members by way of deduction from their accounts or, where the expense relates to identifiable members only, from those members' accounts.

### **Commissions**

As a trustee of the SMSF, you and your co-trustee(s)/co-director(s) control any appointments of financial professionals and investments into products which might include commissions.

### **Dispute Resolution**

The dispute resolutions mechanisms available to members are found in the Fund's trust deed. As a trustee, it is reasonable to presume that you have familiarized yourself with the contents of the trust deed. As such, pursuant to Section 1013F of the *Corporations Act 2001*, as amended, detailed information concerning the dispute resolution mechanisms available under the deed are not included in this PDS.

### **Taxation Implications**

All superannuation funds in the accumulation phase pay 15% tax on their net taxable incomes. Net taxable income includes assessable contributions, plus investment earnings, less deductible expenses. Other rebates and credits, such as franking rebates and imputations credits may reduce the amount of tax which a superannuation fund must pay. Net taxable capital gains of a superannuation fund are taxed at 10%.

Each year, the trustee will make a determination as to how these taxes are to be deducted from an individual member's account. The trustee is required to determine this in an equitable manner, as between the members.

Depending on your personal taxable income in a given year, there may also be a liability for the superannuation contribution surcharge tax in respect of any tax-deductible contributions made by your employer or yourself. Where surcharge is payable, this amount will be directly deducted from your member's account.

The income and capital gains of a superannuation fund which is paying one or more pensions will be exempt from tax, to the extent that the assets of the Fund are considered to be supporting those pensions (and taxable to the extent that those assets are considered to be supporting continuing accumulations and reserves). The amount of tax which you as trustee and your co-trustee(s)/co-director(s) consider to be a reasonable and equitable allocation for each member each year will be deducted from the balance of your member's accumulation account.

The rules regarding personal taxation of superannuation benefits are far too complex to address in this document. It is strongly advised that you seek professional advice regarding the taxation of your personal superannuation benefits and the options available to you.

### **Cooling-off Period**

There is a fourteen (14) day cooling-off period from the date you commence your pension from the above SMSF, during which time you may cancel your pension. Note that the trustee must receive notification of your cancellation prior to the expiry of this period, in order for it to be considered effective. Note also that the cooling off period relates to your pension only and does not give you a right to resign from your duties as a trustee of the Fund (including payment for the establishment of pension).

### **Insurance**

There is no obligation for the trustee of the Fund to take out life or other insurances on your behalf. Obviously, however, as a trustee of the Fund, you are in a position to make such application. As noted above, benefits can be paid out in similar circumstances to normal insurable events (death, total and permanent disablement, total and temporary disablement), however where the Fund has not undertaken insurance on your behalf, any payments will be limited to the value of your member's accumulation account.

### **Alternative Types of Superannuation Funds**

You should be aware that there are a number of alternative forms of superannuation available to you that can pay you a pension, each of which have different characteristics. You should consider your own situation carefully, prior to commencing a pension from one form of superannuation fund, or another and should seriously consider seeking advice from an authorised representative of an Australian financial services licensee.

#### **Public Offer Superannuation Funds**

These funds are managed by a trustee on your behalf. You may have a choice of broad "categories" for investment, such as conservative, balanced, growth, etc., where you have no control over the actual investments which are undertaken by the fund (and, depending upon their reporting, you may never know what those assets are). Certain other funds allow members (usually only through a financial planner) to select individual investments from a menu of options. An example might be a list of 50 managed funds and shares in the top 200 ASX listed companies. Typically, you will only receive written reports on your share of the fund's performance annually in your member statement, although you may be able to access interim performance results for the fund (e.g. via a website). Fees will usually be charged on entry and exit from these funds. There will also be contribution fees, administration fees, category switching fees (often only after a certain number of free annual switches) and asset management fees. Some of these fees are normally be charged as a percentage of your account balance. Many public offer funds will include a commission payable to the advisor who recommends the fund to you. In most cases, the more investment choices you have, the higher the

overall level of fees the fund charges. Typically, you can purchase insurance (life, total and permanent disablement and sometimes total and temporary disablement) Public offer funds may restrict the types of benefits which are payable upon your death or retirement (e.g. they may not pay certain types of pensions, or may require you to transfer to another sub-category within their fund before paying pensions).

#### Industry Superannuation Funds

These funds are managed by a trustee on your behalf. In the past, these funds have only been open to members of a certain union or industry, however many are now accepting membership from other parties. You may not have a choice of "categories" for investment in these funds, although many now offer similar choices of categories to public offer funds, such as conservative, balanced, growth, etc.. Once again, you have no control over the actual investments which are undertaken by the fund (and, depending upon their reporting, you may never know what those assets are). Typically, you will only receive reports on your share of the fund's performance annually in your member statement, although you may be able to access interim performance results for the fund (e.g. via a website). Where categories are available, there will normally be restrictions on the frequency with which you can change between categories. Fees will usually be charged on entry and exit from these funds. There will also be contribution fees, administration fees, category switching fees (often only after a certain number of free annual switches) and asset management fees. Some of these fees will normally be charged as a percentage of your account balance. Industry funds do not normally pay commissions to advisors who recommend the fund to you. Typically, a certain level of "group" insurance (life, total and permanent disablement and sometimes total and temporary disablement) will be provided by industry funds without medical requirements. Additional insurance can be acquired with medical examination. Industry funds may restrict the types of benefits which are payable upon your death or retirement (e.g. they may not pay certain types of pensions, or may require you to transfer to another sub-category within their fund before paying pensions).

#### Small APRA Funds

These funds are similar to SMSF's, except that they have an independent trustee. The independent trustee must be an "approved" trustee. Typically, these are large public trustee corporations. They will charge fees for their services and all decisions as to investments, benefit payments, etc. must be approved by them. They will normally control the fund's cheque book and appoint the accountants and auditors of the fund. They are normally only chosen when a member wishes to have investment flexibility close to that of a SMSF, but for one reason or another, they cannot be a trustee of their own fund (e.g. because they are an undischarged bankrupt and therefore a "disqualified" person, or because the trustees are leaving Australia for more than two years, which can have adverse tax consequences). Because of the expense of the approved trustee services, these funds are only used in a very limited number of cases.

There are two other types of superannuation fund - employer-sponsored superannuation funds and public sector superannuation schemes - which are not discussed here, as they are not a type of fund which a member can typically "choose" to join (your employer will make the choice to contribute to such a fund, without reference to you as an employee).

#### **Other Information**

The first duty of a trustee is to familiarize themselves with the terms of and their duties under the trust. Pursuant to Section 17A of the *Superannuation Industry (Supervision) Act 1993*, as amended, all members of SMSF's must be trustees (or directors of the Fund's corporate trustee).

This PDS addresses issues which relate to your proposed pension from the Fund, not issues which arise in relation to your duties and liabilities as a trustee of the Fund. As a trustee, it is your responsibility to separately familiarize yourself with those duties and liabilities and to be actively involved in the operation of the Fund. As this is a legal obligation, it is reasonable to presume that you have done so. As such, pursuant to Section 1013F of the *Corporations Act 2001*, as amended, detailed information concerning other matters pertaining to the operation of the Fund are not included in this PDS.

#### **Other Documents Forming Part of This PDS, For Funds Other Than New Funds**

Where the Fund is a pre-existing fund and you are joining as a member, or where you are an existing member and are commencing to take your benefit in the form of a pension, you will find the following documents annexed to this PDS:-

- The Fund's investment strategy; and
- The last financial statements prepared in respect of the Fund.

These documents form part of this PDS for funds other than newly established funds. If you have not yet received a copy of these documents, you should not sign this PDS until you have received them.

Dear Member,

**RE: PAYMENT OF YOUR BENEFITS IN ALBRECHT FAMILY SUPERANNUATION FUND**

The Trustees have met and have approved payment of 100% of your accumulation benefit in the ALBRECHT FAMILY SUPERANNUATION FUND as an account-based pension.

Your pension is subject to certain minimum standards, as set down in Regulation 1.06(9A)(a) of the Superannuation Industry Supervision Regulations. A copy of these conditions is attached.

As part of these requirements, there is a minimum amount which must be paid to you each financial year. For the present financial year, a minimum amount of **\$1,630.00** of your account balance must be paid.

The Trustees are obliged to withhold income tax in relation to certain pension payments made before age 60. Your pension may therefore be net of any taxes required to be withheld, from time to time. Where tax has been withheld, you will receive a PAYG Payment Summary at the end of each financial year outlining this amount, for inclusion with your personal income tax return for that year. The trustee is not required to withhold any PAYG tax from benefits paid to a member who is 60 years of age or over for the entire tax year and PAYG Payment Summaries are not required.

The trustees have also approved the pension with a 100% reversionary element, giving an entitlement for BARRY ROBERT ALBRECHT to continue to receive this pension in the event of your death.

Please be aware there are certain costs attached to calculating and paying your account-based pension, including professional fees and other costs.

Yours Sincerely,

## SUMMARY OF FEATURES OF YOUR ACCOUNT-BASED PENSION

Your Benefit, the subject of the attached letter, is an account-based **pension**. Account-based pensions have the following characteristics:-

- I. the pension payments are no less than the amount calculated in accordance with Regulation 1.06(A)(a) of the SIS Regulations (except that where a pension starts on or after 1 June in a given year, the minimum levels do not have to be met in that year).
- II. payments are made at least annually (but may be more regularly).
- III. Payments to beneficiaries between 55 and 59 years of age are taxed at a concessional rate. Payments to beneficiaries 60 years of age and over are exempt from tax.
- IV. the capital or income of the pension cannot be used as security for borrowings.
- IV. In the event of the pensioner's death, the reversion cannot be transferred to anyone other than the reversionary beneficiary and an adult child cannot be the recipient of a reversionary pension (i.e. death benefits to adult children can only be paid as lump sums).

The **minimum payment** is worked out using the following formula:-

$$\text{Account Balance} \times \text{Percentage Factor}$$

**Account Balance** means:

the value of the annuity or pension:

- A. on 1 July in the financial year in which the payment is made; or
- B. if that year is the year in which the annuity or pension payments commence - on the commencement day,

being the total amount paid as consideration to purchase the annuity or pension, as increased by returns on investments and as decreased by fees, charges, applicable taxes, payments to the annuitant or pensioner and payments made under a Splitting Order.

**Percentage Factor** means:

the percentage factor specified in Table 1, below, that applies to the beneficiary because of the beneficiary's age on:

- A. 1 July in the financial year in which the payment is made; or
- B. if that is the year in which the annuity or pension payments commence - the commencement day.

**Table 1**

Item	Age of Beneficiary	Percentage Factor
1	Under 65	4
2	65 – 74	5
3	75 – 79	6
4	80 – 84	7
5	85 – 89	9
6	90 – 94	11
7	95 or more	14

The minimum payment amount will need to be recalculated on 1 July each year. Therefore the minimum amount payable to the pensioner will change from year to year.

If the primary beneficiary or a reversionary beneficiary dies, the Pension cannot be transferred to a Child of that person (but may be paid as a lump sum), unless the Child:

- A. is less than 18 years of age; or
- B. is greater than 18 years of age, but less than 25 years of age and is financially dependent on the Member; or
- C. has a disability of the kind described in subsection 8(1) of the *Disability Services Act 1986*,

and, except in the case of a Child described in paragraph C above, such a Pension must cease no later than the Child attaining 25 years of age.

# PRODUCT DISCLOSURE STATEMENT

## MEMBER COMMENCING A PENSION

Name of Superannuation Fund: ALBRECHT FAMILY SUPERANNUATION FUND

Date of Notice: 1 JULY 2020

Name of Member: SUSAN ENA ALBRECHT

Address of Member: 30 CAIN ROAD  
LAMBELLS LAGOON NT 0822

This Product Disclosure Statement (PDS) may be required by Part 7.9 of the *Corporations Act 2001*, as amended, to be given to members of superannuation funds changing from growth to pension phase or being issued with an interest in the above superannuation fund (the "Fund") for the first time, when the purpose of membership is to commence to receive a pension. A new interest in this Fund is considered to be granted upon the acceptance of your initial application for membership, as well as upon the making of an election to change from an accumulation or growth phase, to pension phase.

This PDS applies in respect of the Fund, so long as it remains a self-managed superannuation fund (SMSF), pursuant to the *Superannuation Industry (Supervision) Act 1993*, as amended.

Much of the information required to be provided in a PDS for a SMSF will fall into one of the following categories:-

- Information of which you are already aware (e.g. your address and contact details for the above SMSF).
- Information which your duties and responsibilities as a trustee of the above SMSF require that you be aware of, prior becoming a trustee (e.g. the terms of the trust deed and governing rules of the above SMSF).
- Where the Fund is a newly established superannuation fund, information which has not come into existence at the date of this PDS being issued (e.g. fees and charges, investment strategy and returns, etc.)

It is important to note that this information relates to your pension, not to your obligations as a trustee of the Fund. It is up to you to decide whether or not you wish to take on the responsibility of trusteeship of a SMSF, however you cannot be a member of a SMSF without also being a trustee or director of a corporate trustee of the Fund. You should separately familiarize yourself with your trustee duties.

Pursuant to Section 1013D of the *Corporations Act 2001*, as amended, the following information is provided to you:-

### **Name and Contact Details of the Product Issuer**

The above SMSF is the issuer of this PDS. The Fund's contact details are determined by you and (where applicable) your co-trustee(s) (or director(s) of a corporate trustee). They will either be your own address, or an address to which you have previously agreed and been made aware of.

### **Benefits**

The benefits available to you are set out in the above SMSF's trust deed. As a member of a SMSF, with the agreement of your co-trustee(s), you can choose any form or combination of retirement benefits legally available – you have as much flexibility as is possible.

Your primary form of retirement benefit is a "pension", as that term is defined in the *Superannuation Industry (Supervision) Regulations 1994*, however you may choose a lump sum benefit, by request made in writing at the time you wish to take your benefits. Other benefits potentially available to you

include: death benefits, total and permanent disablement benefits and total and temporary disablement benefits.

Once you have "Retired" after age 55 years, you will be entitled to commence to take your superannuation benefits. Any decision (except for the option to take a lump sum) may be verbal, but should preferably be in writing. It should be noted that the timing and types of superannuation benefits you may be entitled to take is the subject of regular legislative change. As such, you should check what options are available to you, at the time you are ready to start taking your benefits.

There may be significant taxation and other implications, should you choose to take your retirement benefits in one form or another. The area of benefits design is a complex, but critical area to ensuring the value of your superannuation savings are maximised. As such, we strongly recommend that you seek professional advice, prior to taking any benefits.

It is important to note that this SMSF is not the only fund which is capable of paying you a pension. This PDS also lists other types of superannuation funds which may offer pensions of the type which you have chosen.

### **Account-based Pensions**

You have chosen to receive an account-based Pension. Account-based Pensions have the following essential characteristics:-

- There are minimum pension amounts which you must receive each year, but no maximum pension amount. The pension payments can be made at any frequency you wish, including in a single, annual payment. These amounts are determined by referring to the table at Regulation 1.06(9A)(a) of the *Superannuation Industry (Supervision) Regulations 1994*. The amount is recalculated each year, based on the capital value of your account and your age at the start of the financial year. The amounts are gross of any tax which might need to be withheld from your pension by the Fund.
- You may cancel your Account-based Pension at any time, by writing to the trustee(s) of the Fund. You may choose to return those funds to accumulation mode, take the benefits out as a lump sum, or to start a different pension with those benefits (or a combination of the two). Cancelling an account-based Pension may have adverse tax consequences and should only be done after seeking professional advice.
- You can make partial capital withdrawals from your Account-based Pension, should you wish, however you cannot add new capital sums to your pension. Should you be entitled to make further contributions to the Fund, with a view to having them paid as a pension, you will need to start a new pension with those moneys. You can have multiple pensions running from the same superannuation fund, however the administrative costs may be somewhat higher. You can stop an existing Account-based Pension, add new contributions to it and immediately restart it with the combined balance. Should you wish to partially withdraw capital from your Account-based Pension, there may be taxation consequences. If you wish to either make further contributions or make a partial withdrawal, you should seek professional advice.
- The taxation consequences to you, personally, in relation to your pension payments are too complex to be thoroughly addressed in a PDS and should be discussed with your professional advisor, prior to commencing these payments. In summary, pension payments to members 60 years of age or older are tax-free, while pension payments to those below 60 years of age may be subject to tax, albeit at a concessional rate. In this regard, amounts considered to be a gradual return of any non-concessional contributions (previously variously referred to as undeducted contributions, post-June 1994 invalidity components, pre-1 July 1983 components, CGT concessional amounts) will be tax-free, however other amounts will be included in your normal assessable income, less a 15% rebate. The following will be taxed, but subject to a rebate: amounts considered to be from contributions for which someone (yourself or your employer) have in the past received a tax deduction; amounts which are considered to be sourced from earnings on your superannuation benefits over the years. Your advisor can discuss the taxation consequences of any pension paid to you, in your particular circumstances.
- Depending upon the Fund's trust deed and the decision of the trustee(s), any costs incurred by the Fund for establishing and maintaining your pension may be deducted from your member's account. These costs include (but may not be limited to) administrative, accounting and advice costs regarding establishment and ongoing administrative, accounting and actuarial costs which the Fund would not be required to undertake, if your Account-based Pension was not being paid.

- Should you die while in receipt of your Account-based Pension, your spouse and people meeting the definition of financial dependants (if any) have the option to continue to receive this pension in your place (called a "reversionary" pension option). It should be noted that benefits remaining in the Fund cannot be retained within the fund, if the beneficiary is a person other than a spouse or financial dependant. For example, benefits paid to non-dependant adult children must be paid out as a lump sum. Non-dependant adult children will be subject to tax on some or all of the benefits which they receive.
- Death benefits are paid in the following order: in accordance with a binding death benefit nomination (if any); in accordance with a non-binding direction from the member (subject to the trustee considering the needs of respective beneficiaries); at the discretion of the trustee, after the trustee has considered all potential beneficiaries' needs. It should note that the trustee may elect to distribute proceeds to the member's estate, for distribution in accordance with the member's Will, if the trustee is not bound.

These are the characteristics of Account-based Pensions which are important to you as a member receiving such a pension. There are additional considerations and information which will be important to you in your capacity as a trustee of the Fund, which you will need to be familiar with. You should discuss these issues with your professional advisor.

### **Nominating Beneficiaries**

You may make two different types of nominations in relation to the payment of your benefits upon your death. The first is contained in your Application for Membership of the Fund. This nomination is not binding on the trustee and may be open to challenge by any potential beneficiaries. Nevertheless, the trustee must give this nomination serious consideration and would require good reasons not to distribute in accordance with these wishes.

The second type of nomination is called a Binding Beneficiary Nomination. This nomination must meet certain forms, including being signed by two independent witnesses and at least once every three years being confirmed, modified or repealed by notice in writing from you to the trustee. The requirements to be followed in relation to Binding Beneficiary Nominations are to be found in the trust deed. You should be aware that the trustee cannot deviate from the terms of a valid, binding nomination, even if the consequences of complying with it would result in higher tax than might be possible via other avenues, or where you have changed your mind about the beneficiaries or the amounts they should receive. As such, it is important that you seek professional advice, prior to submitting a Binding Beneficiary Nomination.

### **Risks**

This SMSF is an accumulation fund. This means that amounts (including contributions, transfers and rollovers and accumulated earnings) are invested as you and your co-trustees (or director(s) of a corporate trustee) see fit.

Depending upon the investment decisions which you as trustee and any of your co-trustees/co-directors make over time, you will either accumulate investment gains (including capital and income gains) or accumulate investment losses. In some years, gains may arise and in other years, losses may arise. This will affect the balance of your member's accumulation account. As a trustee, you have both the responsibility for and control over the manner in which the Fund's investments are made and, as such, you control the risks associated with the Fund's investments.

### **Amounts Payable and Fund Expenses**

As a trustee of the SMSF, you and your co-trustee(s)/co-director(s) control any amounts which might be payable for the issue of pension from the Fund. Costs and expenses of the Fund may either be shared equitably among members by way of deduction from their accounts or, where the expense relates to identifiable members only, from those members' accounts.

### **Commissions**

As a trustee of the SMSF, you and your co-trustee(s)/co-director(s) control any appointments of financial professionals and investments into products which might include commissions.

### **Dispute Resolution**

The dispute resolutions mechanisms available to members are found in the Fund's trust deed. As a trustee, it is reasonable to presume that you have familiarized yourself with the contents of the trust deed. As such, pursuant to Section 1013F of the *Corporations Act 2001*, as amended, detailed information concerning the dispute resolution mechanisms available under the deed are not included in this PDS.

### **Taxation Implications**

All superannuation funds in the accumulation phase pay 15% tax on their net taxable incomes. Net taxable income includes assessable contributions, plus investment earnings, less deductible expenses. Other rebates and credits, such as franking rebates and imputations credits may reduce the amount of tax which a superannuation fund must pay. Net taxable capital gains of a superannuation fund are taxed at 10%.

Each year, the trustee will make a determination as to how these taxes are to be deducted from an individual member's account. The trustee is required to determine this in an equitable manner, as between the members.

Depending on your personal taxable income in a given year, there may also be a liability for the superannuation contribution surcharge tax in respect of any tax-deductible contributions made by your employer or yourself. Where surcharge is payable, this amount will be directly deducted from your member's account.

The income and capital gains of a superannuation fund which is paying one or more pensions will be exempt from tax, to the extent that the assets of the Fund are considered to be supporting those pensions (and taxable to the extent that those assets are considered to be supporting continuing accumulations and reserves). The amount of tax which you as trustee and your co-trustee(s)/co-director(s) consider to be a reasonable and equitable allocation for each member each year will be deducted from the balance of your member's accumulation account.

The rules regarding personal taxation of superannuation benefits are far too complex to address in this document. It is strongly advised that you seek professional advice regarding the taxation of your personal superannuation benefits and the options available to you.

### **Cooling-off Period**

There is a fourteen (14) day cooling-off period from the date you commence your pension from the above SMSF, during which time you may cancel your pension. Note that the trustee must receive notification of your cancellation prior to the expiry of this period, in order for it to be considered effective. Note also that the cooling off period relates to your pension only and does not give you a right to resign from your duties as a trustee of the Fund (including payment for the establishment of pension).

### **Insurance**

There is no obligation for the trustee of the Fund to take out life or other insurances on your behalf. Obviously, however, as a trustee of the Fund, you are in a position to make such application. As noted above, benefits can be paid out in similar circumstances to normal insurable events (death, total and permanent disablement, total and temporary disablement), however where the Fund has not undertaken insurance on your behalf, any payments will be limited to the value of your member's accumulation account.

### **Alternative Types of Superannuation Funds**

You should be aware that there are a number of alternative forms of superannuation available to you that can pay you a pension, each of which have different characteristics. You should consider your own situation carefully, prior to commencing a pension from one form of superannuation fund, or another and should seriously consider seeking advice from an authorised representative of an Australian financial services licensee.

#### Public Offer Superannuation Funds

These funds are managed by a trustee on your behalf. You may have a choice of broad "categories" for investment, such as conservative, balanced, growth, etc., where you have no control over the actual investments which are undertaken by the fund (and, depending upon their reporting, you may never know what those assets are). Certain other funds allow members (usually only through a financial planner) to select individual investments from a menu of options. An example might be a list of 50 managed funds and shares in the top 200 ASX listed companies. Typically, you will only receive written reports on your share of the fund's performance annually in your member statement, although you may be able to access interim performance results for the fund (e.g. via a website). Fees will usually be charged on entry and exit from these funds. There will also be contribution fees, administration fees, category switching fees (often only after a certain number of free annual switches) and asset management fees. Some of these fees are normally charged as a percentage of your account balance. Many public offer funds will include a commission payable to the advisor who recommends the fund to you. In most cases, the more investment choices you have, the higher the

overall level of fees the fund charges. Typically, you can purchase insurance (life, total and permanent disablement and sometimes total and temporary disablement) Public offer funds may restrict the types of benefits which are payable upon your death or retirement (e.g. they may not pay certain types of pensions, or may require you to transfer to another sub-category within their fund before paying pensions).

#### Industry Superannuation Funds

These funds are managed by a trustee on your behalf. In the past, these funds have only been open to members of a certain union or industry, however many are now accepting membership from other parties. You may not have a choice of "categories" for investment in these funds, although many now offer similar choices of categories to public offer funds, such as conservative, balanced, growth, etc.. Once again, you have no control over the actual investments which are undertaken by the fund (and, depending upon their reporting, you may never know what those assets are). Typically, you will only receive reports on your share of the fund's performance annually in your member statement, although you may be able to access interim performance results for the fund (e.g. via a website). Where categories are available, there will normally be restrictions on the frequency with which you can change between categories. Fees will usually be charged on entry and exit from these funds. There will also be contribution fees, administration fees, category switching fees (often only after a certain number of free annual switches) and asset management fees. Some of these fees will normally be charged as a percentage of your account balance. Industry funds do not normally pay commissions to advisors who recommend the fund to you. Typically, a certain level of "group" insurance (life, total and permanent disablement and sometimes total and temporary disablement) will be provided by industry funds without medical requirements. Additional insurance can be acquired with medical examination. Industry funds may restrict the types of benefits which are payable upon your death or retirement (e.g. they may not pay certain types of pensions, or may require you to transfer to another sub-category within their fund before paying pensions).

#### Small APRA Funds

These funds are similar to SMSF's, except that they have an independent trustee. The independent trustee must be an "approved" trustee. Typically, these are large public trustee corporations. They will charge fees for their services and all decisions as to investments, benefit payments, etc. must be approved by them. They will normally control the fund's cheque book and appoint the accountants and auditors of the fund. They are normally only chosen when a member wishes to have investment flexibility close to that of a SMSF, but for one reason or another, they cannot be a trustee of their own fund (e.g. because they are an undischarged bankrupt and therefore a "disqualified" person, or because the trustees are leaving Australia for more than two years, which can have adverse tax consequences). Because of the expense of the approved trustee services, these funds are only used in a very limited number of cases.

There are two other types of superannuation fund - employer-sponsored superannuation funds and public sector superannuation schemes - which are not discussed here, as they are not a type of fund which a member can typically "choose" to join (your employer will make the choice to contribute to such a fund, without reference to you as an employee).

#### **Other Information**

The first duty of a trustee is to familiarize themselves with the terms of and their duties under the trust. Pursuant to Section 17A of the *Superannuation Industry (Supervision) Act 1993*, as amended, all members of SMSF's must be trustees (or directors of the Fund's corporate trustee).

This PDS addresses issues which relate to your proposed pension from the Fund, not issues which arise in relation to your duties and liabilities as a trustee of the Fund. As a trustee, it is your responsibility to separately familiarize yourself with those duties and liabilities and to be actively involved in the operation of the Fund. As this is a legal obligation, it is reasonable to presume that you have done so. As such, pursuant to Section 1013F of the *Corporations Act 2001*, as amended, detailed information concerning other matters pertaining to the operation of the Fund are not included in this PDS.

#### **Other Documents Forming Part of This PDS, For Funds Other Than New Funds**

Where the Fund is a pre-existing fund and you are joining as a member, or where you are an existing member and are commencing to take your benefit in the form of a pension, you will find the following documents annexed to this PDS:-

- The Fund's investment strategy; and
- The last financial statements prepared in respect of the Fund.

These documents form part of this PDS for funds other than newly established funds. If you have not yet received a copy of these documents, you should not sign this PDS until you have received them.

I have read and understood this Product Disclosure Statement, prior commencing my Account-based Pension:-

## ALBRECHT FAMILY SUPERANNUATION FUND

### INVESTMENT OBJECTIVES AND STRATEGIES

#### Investment Objective:

The sole purpose of the fund is to provide benefits to Members upon their retirement, attaining a specified age, death or on health or financial reasons.

The objective of the Fund is to achieve reasonable long term growth with moderate fluctuations in return. The average investment return for the plan should be at least 1.0% per annum above inflation (CPI) when measured over a three year period.

#### Investment Strategy:

The trustees, have set the following strategy and guidelines for investment of funds belonging to the Fund having regard to the following:

- the risk of the investment;
- the diversity of investments of the Fund as a whole;
- the liquidity of the investment; and
- the ability of the fund to discharge its present and future liabilities.

The overall strategy is to invest in either cash, real property, shares, unit trusts or a combination thereof for the purpose of providing the members of the plan with long term growth. Whilst the trustees are conscious of the need to provide the members of the plan with capital gains over the medium to long term, they are also conscious of the need to diversify and spread the risk associated with investment in growth assets.

In making a decision on the types of investments made by the Fund, the Trustees have consulted with the members in this regard. They have taken into account the members overall risk profile and their concerns about various investment opportunities.

With this in mind, the trustees will, from time to time, seek professional investment advice in order to assist in the process of determining what investments are suitable for the Fund and also taking into account the concerns of the members.

The trustees also acknowledge the need to invest in areas where some assets can be readily converted to cash, thus allowing benefits to be paid when they fall due.

Taking the above into account, the trustees have determined that the following guidelines should be adhered to in placing and reviewing investments by the Fund in the coming 12 month period.

	From		To
Australian Equities	20 %	-	40 %
Australian Fixed Interest	0 %	-	15 %
Cash	0 %	-	30 %
Direct Property	%	-	%
International Equities	20 %	-	40 %
International Fixed Interest	0 %	-	10 %
Listed Property	0 %	-	10 %
Mortgages	%	-	%
Other	0 %	-	10 %

This plan's strategy will be reviewed on occasion and updated if any modifications are required.

In addition, the trustees have held discussions with each of the members and considered whether or not it is appropriate for the fund to provide any of the following types of insurance cover for each member:

- Life insurance
- Total & Permanent Disablement (TPD) insurance
- Income Protection Insurance

Each member's individual insurance needs will be considered by the trustees on an annual basis

(Approved at meeting of Trustees dated 01 July 2019)

Dear Trustees

[www.marshtincknell.com.au](http://www.marshtincknell.com.au)**RE: SUPERANNUATION FUND AUDIT**

Thank you for your request to complete the compliance and financial audit for the 2021, 2022 and 2023 financial years. We accept the engagement for these 3 financial years and have outlined below our understanding of the terms of this engagement, our responsibilities, and the process we will undertake to complete the audit.

This letter will cover the financial years mentioned above unless we advise you of any changes to our engagement terms, in which case we will issue you with a new engagement letter. Either party has the right to terminate this agreement upon written notice to the other party.

Following your review of the terms of this engagement and the process we intend to undertake, we would appreciate it if you would acknowledge your agreement to the terms and conditions by signing at the end of the letter (where indicated) and return it to us. We will begin work once we have received this confirmation from you.

**Scope**

The audit will conform to the requirements of the *Superannuation Industry (Supervision) Act 1993* (SIS Act), and the *Superannuation Industry (Supervision) Regulations 1994* (SISR), and will be performed in accordance with the applicable standards on assurance engagements. The objectives of the audit are to express an opinion on the financial reports and compliance of the fund with the following specified requirements of the *SIS Act* and *SISR*:

- *SIS Act*: 17A, 35A, 35B, 35C(2), 52(2)(d), 52(2)(e), 62, 65, 66, 67, 67A, 67B, 69-71E, 73-75, 80-85, 103, 104A, 109, 126K.
- *SISR*: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

Our procedures will include examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial reports, evaluation of accounting policies and significant accounting estimates, and the fund's compliance with its *SIS Act* obligations. These procedures will enable us to form an opinion as to whether, in all material respects:

The financial reports:

- are presented fairly in accordance with the accounting policies described in the notes to the financial statements; and
- fairly represent the financial position of the fund and its operating results at balance date.

The Trustee has complied with the obligations under the *SIS Act* and *SISR* that we are required to audit.

Our audit tests will not be performed continuously throughout the period and will not cover every provision of the *SIS Act* or *SISR Regulations* nor will they detect all instances of non-compliance.

The work undertaken by us to form an opinion is based on our judgment regarding the nature, timing and extent of audit procedures for gathering audit evidence and the drawing of conclusions based on that evidence. It is important to note that most audit evidence is persuasive rather than conclusive and that there are inherent limitations in any audit. As a result, our audit can only provide reasonable, not absolute, assurance that the financial statements are free of material misstatement and the trustees have complied with the specified requirements of the *SIS Act* and *SISR*.

We confirm that Ed Glasson (Director) is an approved auditor as defined by *regulation 1.04(2) of the SISR*.

We will provide the Trustees with a written report that:

- identifies any contravention of the *SIS Act* and the *SISR*;
- summarises the findings of the audit, any action taken or proposed by the trustees, and any recommendations regarding administrative procedures or systems of the fund; and
- provides an opinion on whether:
  - the financial report represents fairly the financial position of the fund, its results of operations and its cash flows; and
  - the fund has complied with the relevant provisions of the *SIS Act* and the *SISR* during the income year.

Where any breaches have occurred, we are required to determine whether or not these are reportable breaches. The ATO provides a series of tests that must be applied in making this determination. A contravention report must be completed and lodged with the ATO for any reportable breaches. For funds that are less than 15 months old at balance date, every contravention above \$2,000 must be reported. We will advise you of reportable breaches that we identify.

### **Trustee's obligations**

Responsibility for the preparation of financial reports including adequate disclosure is that of the Trustees of the fund. This includes the maintenance of adequate accounting records and internal controls, the selection and application of accounting policies, the safeguarding of the assets of the fund and compliance with the requirements of the superannuation legislation. These duties are imposed upon the Trustees by the trust deed and the *SIS Act*. The Trustees are required to keep minutes of meetings, reports and records of changes of Trustees for ten years.

As part of our audit process, we may request the Trustees to provide us with written confirmation regarding any representations made to us in connection with the audit.

We look forward to your full co-operation and trust that you will make any records, documentation and other information required in connection to our audit available to us.

### **Quality control**

In the course of our engagement we will prepare various working papers and notes consistent with our internal quality control system. These working papers remain the property of our firm and will be retained by us to support any future queries on work completed. Original source records provided by you to us to assist in the completion of your work will be returned to you at the completion of each engagement. Where appropriate we may take copies to retain on your client file.

### **Confidentiality**

The conduct of our audit in accordance with Australian Auditing Standards means that information acquired by us in the course of the audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your express consent.

We will treat as confidential and maintain the confidentiality of all information and records that you provide to us. This information will only be disclosed to a third party where you provide specific authority for us to provide this information to them, or where we are subject to a legal duty or professional standard to disclose the information.

From time to time during the completion of your work, we may engage various staff and or contract personnel who we consider appropriate for the completion of your work. These personnel will have access to your fund records only for the purpose of completing the audit engagement agreed. In all cases these personnel will be subject to our supervision and control.

Our audit files may be subject to review as part of the quality control review program of *The Institute of Chartered Accountants in Australia* which monitors the compliance of its members with professional standards. By signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under this program. Should this occur, we will advise you. Under this review program the same strict confidentiality requirements that apply to us, apply to the reviewer.

### Fees

Our fees, which attract GST, are based on the time spent and the associated risks of the audit engagement. If you require an estimate of the cost, please contact me.

Our fee will be included as an outlay on the invoice you receive from Virtu Super and payment will be required to be made directly to Virtu, who will in turn make payment of the audit fees.

This letter will cover both the current and future years unless we advise you of any changes to our engagement terms and in this case, we will issue you with a new engagement letter.

If we can assist you with any information on this matter or in any other way, please do not hesitate to contact us by phoning (07) 3422 8000 or email to [EdwardG@mtaccountants.com.au](mailto:EdwardG@mtaccountants.com.au).

### Privacy

The ATO is authorised by the *Taxation Administration Act 1953* to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify each partner or beneficiary or entity in our records. It is not an offence not to provide the TFNs. However, you cannot lodge your tax return electronically if you do not quote your TFN.

Taxation law authorises the ATO to collect information and disclose it to other government agencies, including personal information about the person authorised to sign the declaration. For information about privacy go to [ato.gov.au/privacy](http://ato.gov.au/privacy)

### The Australian Business Register

The Commissioner of Taxation, as Registrar of the Australian Business Register, may use the ABN and business details which you provide on this tax return to maintain the integrity of the register.

Please refer to the privacy statement on the Australian Business Register (ABR) website ([www.abr.gov.au](http://www.abr.gov.au)) for further information – it outlines our commitment to safeguarding your details.

## NOTES FOR PERSONS SIGNING SUPER FUND INCOME TAX RETURNS

These notes should be read carefully by each person signing an income tax return, in light of their knowledge of their own affairs, to ensure there are no inaccuracies in the return.

### RESPONSIBILITIES

Whilst we have exercised due care in preparing the returns from information supplied to us, the provisions of the *Income Tax Assessment Act* place the responsibility for the contents of the returns (including the need to obtain the necessary substantiation records) with the taxpayer. Accordingly, would you please check the details disclosed in the returns to satisfy yourselves that the returns are correct.

### SELF ASSESSMENT

As you would be aware, self assessment system of income tax returns is now in full force for individuals. That is, the Australian Taxation Office will accept and issue assessments based on the income tax return that is lodged, generally without any query.

This does not mean the Australian Taxation Office accepts the information contained in the return and at a later date it may request further information in relation to the claims you have made in your return.

Self assessment has not only shortened lodgement deadlines but has greatly increased the burden of paperwork to be prepared and retained by tax agents. We are now required to prepare detailed work papers which must be retained on our files for production to the Australian Taxation Office if required at a future date.

### TRUE AND FULL DISCLOSURE

Your attention is drawn to the following important considerations to ensure the correctness of each income tax return:

- that income from all sources has been disclosed;
- that all deductions claimed can be justified;
- that all deductions claimed for work, car and travel expenses
- can be substantiated by the required records and receipts;
- that all statements are correct and complete.

### CAPITAL GAINS TAX AND OVERSEAS INCOME

Every sale of property, of any description, should be considered for the possible application of both income tax and capital gains tax.

The world-wide income of Australian resident taxpayers is now taxable in Australia with a credit allowed for the income tax paid in a foreign country on that income.

### FALSE AND MISLEADING STATEMENTS

If an answer to a question or any statement made in an income tax return, or an attached schedule, appears to be incorrect, incomplete or misleading, please provide the information needed to amend the return.

Penalties may be imposed for an incorrect return up to double the amount of additional income tax subsequently assessed. These penalties may apply even if the error was made innocently. Alternatively, in more serious cases, prosecutions may be instituted under the *Taxation Administration Act 1953* and fines imposed by the Courts, if convicted.

### RETENTION OF RECORDS

It is a requirement that you substantiate all deductions claimed in your income tax returns. This includes keeping original documentation to verify the expenditure claimed. This documentation must be retained for 7 years. You should ensure that you retain all the documentation in a safe and secure place in case the Australian Taxation Office wishes to review these documents.
