## Information from the NSW Emergency Services Levy Insurance Monitor

### Information

The Emergency Services Levy ("ESL") is an amount  
included by an insurance company in a premium payable  
for the issue of a regulated contract of insurance for the  
purpose of recouping emergency service contributions  
required to be paid by the insurance company and which  
are used to fund emergency services in NSW in the  
financial year in which the contract of insurance  
commences.

### The Insurance Monitor

The office of the Insurance Monitor was established, in  
June 2016, as an independent body. Among the functions  
of that office is to provide information and advice about  
emergency services levy reform and to monitor the prices  
for the issue of regulated contracts of insurance.  
Professor Allan Fels AO and Professor David Cousins AM  
were appointed by the NSW Government as the  
Emergency Services Levy Insurance Monitor and Deputy  
Monitor, respectively on 8 June 2016.

### If you would like further information

Contact us on 132 132 in the first instance if you have  
questions about your policy.

## 1. Debiting your account

- 1.1 By providing consent to a direct debit request, you have authorised us to arrange for funds to be debited from your account according to the agreement we have with you.
- 1.2 We will only arrange for funds to be debited from your account:
  - as authorised in the direct debit request; and/or
  - according to any notice sent to you by us, specifying the amount payable for a product and the date the payment is due.

- 1.3 If the debit day falls on a day that is not a banking day, we may direct your financial institution to debit your account on the following or previous banking day. If you are unsure about which day your account has or will be debited, please check with your financial institution.

## 2. Changes by us

- 2.1 We may vary any details in this agreement or a direct debit request at any time by giving you at least fourteen days written notice.

## 3. Changes by you

- 3.1 Subject to 3.2, 3.3, 4.2, 4.3, 4.5 and 5.1, you may change the arrangements under a direct debit request by contacting us on 132 132 or by visiting [nrma.com.au/selfservice](http://nrma.com.au/selfservice).

## 4. Your obligations

- 4.1 It is your responsibility to ensure that:
  - there are sufficient clear funds available in your account to allow a debit payment to be made; and
  - the account details you have provided to us are correct, current and valid - see 6.1.
- 4.2 If the debit payment is declined because there are insufficient clear funds available in your account to meet a debit payment:
  - you or your account may be charged a fee and/or interest by your financial institution;
  - you or your account may be charged a fee to reimburse us for charges we have incurred for the failed transaction;
  - we will notify you that we will try again to debit your account fourteen days after the debit day. You must have sufficient clear funds in your account at this time, or another time we agree with you, so that we can process the debit payment or contact us to make payment by another method, otherwise we may refuse a claim and cancel your policy.

This does not apply if the debit payment is declined because the credit limit for your account has been exceeded, in which case 4.3 applies.

- 4.3 If the debit payment is declined for any reason other than because there are insufficient clear funds available in your account, for example because the account details you have provided to us are not valid or the credit limit for your account has been exceeded:

- we will notify you to contact us to arrange for the payment to be made using a valid account; and
- you must contact us to provide valid account details within fourteen days of the failed debit day or another time we agree with you so that we can process the payment, otherwise we may refuse a claim or cancel your policy.

- 4.4 If your first debit payment in the first year of your policy is declined for any reason:

- we will not attempt to debit your account again;
- we will notify you to contact us to make the payment; and
- you must contact us to provide valid account details by the date nominated by us in the notice we send you so that we can process the payment, otherwise we may refuse a claim and cancel your policy.

- 4.5 Please check your account statement to verify that the amounts debited from your account are correct.

- 4.6 If we are liable to pay goods and services tax (GST) on a supply made in connection with this agreement, then you agree to pay us on demand an amount equal to the GST included in the consideration payable for the supply.

## 5. Dispute

- 5.1 If you believe that there has been an error in debiting your account you should contact us as soon as possible so that we can resolve your query quickly. We may request written confirmation of the transaction.

- 5.2 If our investigations show that your account has been incorrectly debited we will arrange for your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you of the amount by which your account has been adjusted.

- 5.3 If our investigations show that your account has not been incorrectly debited we will respond to your query by providing you with reasons and copies of any evidence for this finding.

- 5.4 Any queries you may have about an error made in debiting your account should be directed to us in the first instance so that we can attempt to resolve the matter between us and you. If we cannot resolve the matter you can still refer it to your financial institution which will obtain details from you of the disputed transaction and may lodge a claim on your behalf.

## 6. Accounts

- 6.1 You should check:

- with your financial institution whether direct debiting is available from your account as direct debiting is not available on all accounts offered by financial institutions;
