# Notes to the Financial Statements

## **Note 1: Summary of Significant Accounting Policies**

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and accompanying Regulations, the trust deed of the fund and the needs of members.

The financial statements have been prepared in accordance with the requirements of the following Australian Accounting Standards:

AASB 110: Events After the Balance Sheet Date  
AASB 1031: Materiality

No other Australian Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial statements have also been prepared on an accruals basis and are based on historical costs, except for investments, which have been measured at market values.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

### **a. Measurement of Investments**

Assets of the fund have been measured at net market values after allowing for costs of realisation. Changes in the net market value of assets are brought to account in the operating statement in the periods in which they occur.

Net market values have been determined as follows:

- i. shares in listed companies, government securities and other fixed interest securities by reference to the relevant market quotations at the reporting date;
- ii. mortgage loans by reference to the outstanding principal of the loans;
- iii. units in managed funds by reference to the unit redemption price at the reporting date;
- iv. insurance policies by reference to an actuarial assessment of the amount receivable from the insurer in respect of the policy; and
- v. property, plant and equipment at trustee's assessment of their realisable value.

Financial liabilities, which are all current in nature, are measured at the gross value of the outstanding balance at year-end.

### **b. Liability for Accrued Benefits**

The liability for accrued benefits represents the Funds' present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amounts of the assets and the carrying amounts of the sundry liabilities and income tax liabilities as at the reporting date.

### **c. Vested Benefits**

Vested benefits are benefits which are not conditional upon continued membership of the Fund and include benefits which members are entitled to receive had they terminated their membership of the Fund at the reporting date.

### **d. No Tax File Number (TFN) Contributions Tax**

Where a member does not provide their TFN to the Fund, the Fund may be required to pay no-TFN contributions tax at a rate of 31.5% on contributions received from and on behalf of the member. The no-TFN contribution tax applies in addition to the concessional contributions tax rate of 15% applicable to such contributions.

A no-TFN contributions tax liability recognised by the Fund will be charged to the relevant members account. Where a tax offset is obtained by the Fund in relation to the members no-TFN contributions tax liability, the tax offset will be included in the relevant members account.

---

### e. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of changes in value.

### f. Revenue

Revenue is recognised at the fair value of the consideration received or receivable.

### g. Contributions

Member and employer contributions are recognised on a cash basis.

### h. Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income) only. Deferred Income Tax accounting using the liability method is not recognised in these financial statements.

Current income tax expense charged to the Operating statement is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at reporting date. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

## **PART A - FINANCIAL REPORT**

I have audited the special purpose financial report comprising the Statement of Financial Position as at 30 June 2022, the Operating Statement for the year then ended, a summary of significant accounting policies and other explanatory notes of the D & J Kidston Family Super Fund for the year ended 30 June 2022.

### **SMSF trustee's responsibility for the financial report**

Each SMSF trustee (or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the Superannuation Industry (Supervision) Regulations 1994 (SISR). Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### **Approved SMSF auditor's responsibility**

My responsibility is to express an opinion on the financial report based on my audit. I have conducted an independent audit of the financial report in order to express an opinion on it to the trustee. I have complied with the auditor independence requirements prescribed by the SISR and the competency standards set by Australian Securities & Investments Commission (ASIC).

My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the trustee's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the trustee's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the trustee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Approved SMSF auditor's opinion**

In my opinion, the financial report presents fairly, in all material respects, in accordance with the accounting policies described in the notes to the financial statements, the financial position of the fund at 30 June 2022 and the results of its operations for the year then ended.

### **Basis of accounting**

Without modifying my opinion, I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist D & J Kidston Family Super Fund meet the requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the Superannuation Industry (Supervision) Regulations 1994 (SISR). As a result, the financial report may not be suitable for another purpose.

### **PART B - COMPLIANCE REPORT**

#### **SMSF trustee's responsibility for compliance**

Each SMSF trustee is responsible for complying with the requirements of the SISA and the SISR.

#### **Approved SMSF auditor's responsibility**

My responsibility is to express a conclusion on the trustee's compliance, based on the compliance engagement.

My firm applies the Australian Standard on Quality Control 1 and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

I have complied with the competency standards set by ASIC, the auditor independence requirements prescribed by the SISR and the ethical requirements relating to assurance engagements which are founded on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

My audit has been conducted in accordance with applicable Standards on Assurance Engagements, to provide reasonable assurance that the trustee of the fund has complied, in all material respects, with the relevant requirements of the following provisions (to the extent applicable) of the SISA and the SISR.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the SISA and the SISR for the year ended 30 June 2022.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified. My procedures with respect to section 62 included testing that the fund trust deed establishes the fund solely for the provision of retirement benefits for fund members or their dependants in the case of the member's death before retirement; a review of investments to ensure the fund is not providing financial assistance to members, unless allowed under the legislation; and testing that no preserved benefits have been paid before a condition of release has been met.

My procedures with respect to regulation 4.09 included testing that the fund trustee has an investment strategy, that the trustee has given consideration to risk, return, liquidity, diversification, the insurance needs of fund members, and that the fund's investments are made in line with that investment strategy. No opinion is made on the investment strategy or its appropriateness to the fund members.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit conclusion.
