 - Rebates (discounts), direct fees and other fees of your investment include tax deductions that are given to AMP Life and passed on to you.
 - Enhanced disclosure of fees and costs - new regulations have changed the way we show the fees and costs you pay. This doesn't mean you're being charged any additional or increased fees and costs. Greater disclosure simply leads to greater transparency of existing underlying fees and costs.
- We've updated **other fees of your investment** and **indirect costs of your investment** for the last financial year. These may now include costs that haven't previously been disclosed.
- We also regularly review the transaction cost allowance for each investment option based on the anticipated transaction costs. Depending on the investment option(s) you hold, the transaction cost allowance may have changed.
- See amp.com.au/feesandcosts for more details about the current fees and costs that apply to each investment option.
