¹Refer to the Tax Report - Detailed section for information on a security level.²For disposal of assets held within the Service, we have assumed that all interests are Non Taxable Australian Real Property (Non-TARP) assets, on the basis that the investor does not hold more than a 10% interest in the asset. If this is not the case, we recommend investors seek independent taxation advice to determine their capital gains tax (CGT) position.

The 50% CGT discount is no longer available for non-residents. Investors who may be impacted by this change are advised to seek independent taxation advice to determine how this may impact them.

Distributed capital gains have been split between gains relating to TARP assets and gains relating to Non-TARP assets. For further information on these gains, please refer to the Tax Guide.

Disclaimer: The tax components in this Report reflect only those related to this account. These amounts will need to be adjusted for any additional income earned or expenses incurred elsewhere by the investor in the current tax year.**This report has been prepared on the basis of the investor being an Australian resident individual taxpayer. For information regarding the assumptions used to calculate the amounts in this Report, please refer to the Tax Guide.****This Report must be read in conjunction with the Tax Report - Detailed for a full breakdown of all components received for tax purposes. This Report is available online via ClientView or from an investor's financial adviser.**

Independent Review Report for the year ended 30 June 2019 regarding the Accuracy and Completeness of the Self Managed Superannuation Fund (SMSF) Tax Information.

We have reviewed the Tax Reports – SMSF (“the Reports”) released on 19 September 2019 by Macquarie Investment Management Limited (“Macquarie”) to its clients and associated financial planning and tax advisers. The Reports released by Macquarie relate to tax information for the year ended 30 June 2019

Management’s Responsibility for the Tax Reports – SMSF

Management of Macquarie is responsible for the preparation of the Tax Reports – SMSF, and has determined that the contents of the accompanying Tax Guide are appropriate. This responsibility includes the design and effective operation of the taxation procedures and internal controls relevant to the preparation of these Reports that are free from material misstatements, whether due to fraud or error.

Assurance Practitioner’s Responsibility

Our responsibility is to express a conclusion on the Tax Reports – SMSF based on our review. We have conducted our review in accordance with Standard on Review Engagements ASRE 2405 *Review of Historical Financial Information Other than a Financial Report* and within the context of the accompanying Tax Guide in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the Reports are not consistent, in all material respects, with the Assumptions and Principles outlined in the Tax Guide and the information reported is not consistent with information recorded within Macquarie’s source systems.

ASRE 2405 requires us to comply with the requirements of the applicable code of professional conduct of a professional accounting body.

A review is limited primarily to inquiries of entity personnel, inspection of evidence and observation of, and enquiry about, the operation of the taxation procedures and internal controls for a small number of transactions or events. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not

enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Our review included such tests and procedures necessary to consider whether:

- (a) the Reports are prepared in accordance with the Assumptions and Principles outlined in the Tax Guide on the basis of an Australian Tax Resident; and
- (b) the reported information is consistent with Macquarie's source systems.

This report has been prepared for Macquarie. No responsibility will be accepted for any reliance on this report to any party other than Macquarie, or for any purpose other than that for which it was prepared.

Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the Tax Reports – SMSF for the year ended 30 June 2019 are not prepared, in all material respects, in accordance with the Assumptions and Principles outlined in the Tax Guide and the information reported is not consistent with information recorded within Macquarie's source systems.
