Tax adjustment. Tax is payable on taxable contributions, and certain fees and premiums may be deductible, thus reducing the tax payable.

In some cases the timing and application of tax is such that the Fund's administration system does not allocate tax to particular transactions. In such cases the proper tax treatment is achieved by way of a special tax adjustment.

## Concessional and Non-concessional contribution amounts

The total concessional contributions\* received in respect of you for the financial year ending 30 June 2022 were \$11,452.26. (This amount includes any insurance premiums or other expenses paid by your employer, if applicable, on your behalf.)

The total non-concessional contributions\* received in respect of you for the financial year ending 30 June 2022 were \$0.00.

\* The amounts above are based on the information the Fund holds on your records as at 30 June 2022, and may differ from the figures to be reported to the Australian Taxation Office if updated information is subsequently received by the Fund. An annual cap applies to the amount of concessional contributions made to superannuation that are taxed at concessional rates. Caps also apply to the amount of non-concessional contributions. For more information about the caps, the contributions that count towards the caps and what it means if your contributions exceed the caps call our Super Helpline.

### Division 293 tax

Division 293 tax is an additional tax on contributions for high income earners. It will be charged at 15% on some or all of an individual's concessional contributions for individuals on incomes (as defined for this purpose) above the income threshold. The Division 293 contributions reported for you for the financial year ending 30 June 2022 are the contributions shown above. For further information on Division 293 tax and who it affects, please refer to the ATO website at [www.ato.gov.au](http://www.ato.gov.au).

## Fees and Costs Summary from 1 July 2021 to 7 February 2022

We are required to provide you with information about fees and costs, as outlined below. If you have any questions about the information shown please contact our Super Helpline on 1800 640 886.

Fees deducted directly from your account \$110.18

This amount has been deducted directly from your account (reflected in the transactions listed on this statement).

Fees and costs deducted from your investment \$534.83

This approximate amount has been deducted from your investment and covers amounts that have reduced the return on your investment and that are not reflected as transactions listed on this statement or in the *Additional explanation of fees and costs*.

**TOTAL FEES AND COSTS YOU PAID \$645.01**

This approximate amount includes all the fees and costs that affected your investment during the period.

## Additional explanation of fees and costs

**Fees deducted directly from your account** represent any fees and insurance premiums deducted directly from your account (excluding any rebates that may apply to *Fees and costs deducted from your investment*). For more information, refer to your account transactions provided earlier in this statement.

**Fees and costs deducted from your investment** represent the amounts of fees and other costs that have been deducted from your investment (net of any fee rebates that may apply to you). This is generally done by adjusting the unit price and/or the declared earning rate. The amount shown is an approximate amount allocated to you. This amount does not include any fees deducted directly from your account.

For more information about the fees and costs deducted from your investment, please refer to your Product Disclosure Statement (and Your Fund Guide if applicable) together with any member materials you have received since joining your Fund.

**Total fees and costs you paid** are the total amount of the *Fees deducted directly from your account* and *Fees and costs deducted from your investment* shown above.

### **Low balance fee refund:**

From 1 July 2021, if your account balance is less than \$6,000 at the end of the Fund's financial year, the total combined amount of administration fees, investment fees and indirect costs charged to you for the year is capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded. For exits the cap applies to the relevant fees since 1 July 2021 and is reduced based on the proportion of the year from 1 July 2021 to your date of exit. Any refund will be shown in the transaction listing and has been deducted in the calculation of the amount of *Fees deducted directly from your account* shown above.

### **Income tax and its effect on fees:**

Tax is payable on investment earnings of the Fund at a maximum rate of 15%. However, as the Fund is allowed a tax deduction in respect of certain fees and costs, the rate of tax actually payable by the Fund may be less than 15%. The benefit of any income tax deductions is passed on to members, either directly or indirectly when the Trustee determines earnings or by meeting other costs incurred by the Fund.

# Understanding your termination statement

## Accessing your super

The Government has placed restrictions on when you can access your super.

The restricted non-preserved amount (if any) is the part of your benefit that is payable in cash on ceasing employment or upon attaining age 65. Please note that this amount may not be payable in cash in these circumstances if you are a temporary resident of Australia. More details on the conditions of release for temporary residents can be found below.

The unrestricted non-preserved amount (if any) is the part of your benefit that is payable in cash at any time.

The preserved amount is that part of your benefit which by law must be kept in a superannuation fund or other approved arrangement until you meet one of the conditions set down by the Government.

These include where you:

- leave your employer at or after age 60, or
- retire permanently from the workforce at or after your preservation age (see below), or
- attain age 65 (conditions apply), or
- become permanently disabled, terminally ill or die, or
- satisfy certain compassionate grounds or financial hardship criteria as specified by legislation, or
- leave your employer and your total benefit is under \$200 (and you are not a temporary resident).
- qualify for a release under the First Home Super Saver Scheme.

Note, the above conditions of release do not apply to temporary residents. If you are not an Australian or New Zealand citizen or an Australian permanent resident, a condition of release may only be met if you become permanently disabled, terminally ill or die or on departing Australia and cancellation or expiry of your visa.

Your preservation age is worked out as follows:

Date of Birth	Preservation Age
After 30 June 1964	60
1 July 1963 – 30 June 1964	59
1 July 1962 – 30 June 1963	58
1 July 1961 – 30 June 1962	57
1 July 1960 – 30 June 1961	56
Before 1 July 1960	55

## Superannuation surcharge

For higher income earners there has been an additional tax, known as surcharge, on certain superannuation contributions and eligible termination payments paid by an employer. The surcharge has been removed on superannuation contributions made on or after 1 July 2005 and eligible termination payments made by an employer on or after 1 July 2005.

The surcharge continues to apply in respect of the period up to 30 June 2005. This means that the Australian Taxation Office must still determine whether the surcharge tax is payable in respect of you and issue an assessment to the Trustee. A copy of this assessment is also sent to you.

If the Trustee has received a surcharge assessment from the Australian Taxation Office for you since the last reporting period, this assessment is shown on your statement. Your benefits as shown on your statement have been reduced to take account of your total surcharge liability since joining the Fund.

If the Trustee receives a surcharge assessment in respect of your membership after you have left the Fund but before your benefit is transferred out or paid to you, the benefit actually payable to you will also be reduced to take account of this assessment.

Any surcharge assessment received after you have left the Fund and your benefit has been paid will be returned to the Australian Taxation Office. The Australian Taxation Office will either forward it to the Fund to which your benefit was paid, or to you if your benefit was paid directly to you.

If you have any queries about the surcharge information reported to the Taxation Office, or about your surcharge liability please call our Super Helpline on 1800 640 886.

## Enquiries and additional information

If you need more information to understand your entitlements, fees, charges to or expenses debited from your account please contact our Super Helpline on 1800 640 886. The Trustee has an obligation to provide you with any information you reasonably require to understand your entitlements.

For most enquiries we'll be able to help you over the phone. If not, you may be asked to put your enquiry in writing and provide a contact address for the reply. Written enquiries will generally be answered within 28 days.

The Fund also has a process in place to help resolve any complaints you may have. We will acknowledge your complaint as soon as practicable. We will provide you a response no later than 45 calendar days after receiving your complaint, unless another timeframe is allowed or required under the relevant legislation.

If we are unable to provide you a response within this timeframe, we will provide you a delay notification advising you the reasons for the delay, as well as your rights to complain to the Australian Financial Complaints Authority (AFCA). You should also write to the Complaints Officer if you would like more information about the process for handling any complaints you may have.

The address for the Complaints Officer for Media Super is:

The Complaints Officer  
Media Super  
GPO Box 4303  
MELBOURNE VIC 3001

Telephone number: 1800 640 886

If you are not happy with how your complaint has been handled, you may refer your complaint to the Australian Financial Complaints Authority (AFCA).

Complaints relating to a death benefit payment must be submitted within 28 days of receiving the Trustee's decision. Complaints about disability benefits must be submitted within 2 years. To protect your interests, other complaints must generally be submitted within 12 months.

AFCA may be able to assist you to resolve your complaint, but only after you have followed the process set out above.

If AFCA accepts your complaint, it will try and help you and the Trustee reach a mutual agreement through conciliation. If conciliation is unsuccessful, the complaint is referred to AFCA for a determination that is binding.

For more details about referring a complaint to AFCA, requirements and time limits that may apply, contact AFCA at:
