Hi Emily

I apologise the delay in getting back to you.

Attached is some information in relation to Cindy's shares – Wesfarmers and Coles Group.

Attached is an invoice that the firm has paid for CIDAV - \$3,905.00 together with an invoice relating to auditor's fees.

I will highlight below the answers in red below.

I hope that this information assists you. Again, sorry for the delay.

Please let me know if you have any queries.

Kind regards

Mandy

Hi Mandy,

I have started working through everything for CIDAV Super Fund and just have a few questions for you.

- Last year I can see there were insurance premiums within the SMSF but can see no payments being made this year. Can you confirm if that is correct? – **Yes this is correct**
- Can you also confirm that all the deposits from WBH are contributions for Cindy? – **Yes this is correct**
- Were there any accounting, audit or ASIC fees for the SMSF? I have nothing leaving the bank account so any expenses will need to be accounted for as contributions. – **see above from BJC Accountants - \$3,905.00, Cindy has paid \$484.00 for audit fees.**
- Are you able to send through the holding numbers or any documentation you have for the shares? I will need to provide these to the auditor as evidence of the investments. – **attached.**
