Name of Reversionary Beneficiary (who must be a Dependant¹): VIOLET HANCOCK

Relationship to Member: Daughter

Date of birth: 20/11/2001

Address of Reversionary Beneficiary: 16 Ravenshaw Street, Newcastle West, N.S.W., 2302

¹A dependant means:

- your spouse (including an opposite or same-sex de facto partner)
- your children (including children over 18, step-children, adopted children, ex-nuptial children, children of a same-sex relationship, children of an opposite or same-sex de facto partner, IVF children and children born under certain surrogacy arrangements)

"Interdependency relationship" describes a close personal relationship between two people who live together, where one or both of them provide the other with financial support and domestic support and personal care (or are prevented from living together and providing mutual financial support, domestic support and personal care because one or both suffers from a physical, intellectual, psychiatric or other disability).

Your reversionary beneficiary must be a dependant at the time you nominate them and at the time of your death for the reversion to be valid. Additionally, in the case of a child over 18 years, your pension(s) can only revert if at the time of your death the child is financially dependent on you and not yet 25, or if the child suffers a disability (as defined in legislation). If your pension(s) does revert to a child, it must be paid as a lump sum when the child reaches age 25, unless the child suffers a disability.

Member's Declaration

I apply to the Trustee and request the Trustee change the terms and conditions of my pension(s) to add the person I have nominated on this form as my reversionary beneficiary. I understand that this application is subject to acceptance by the Trustee.
