Important information about providing your tax file number to the fund

Before you tell us your Tax File Number (TFN) you need to know the following information. The fund is obliged to request your TFN under the Superannuation Industry (Supervision) Act 1993. Your TFN is confidential and it is not an offence not to provide it.

If you quote your TFN it will be used for legal purposes only. The purposes may change in the future and currently include using your TFN to:

- search for other benefits that may exist for you in the fund;
- calculate reduced tax rates on eligible termination payments (ETPS) when benefits are paid;
- report payments to ATO for reasonable benefit limits (RBL) purposes;
- report contributions to ATO for contributions tax (surcharge) purposes which may not otherwise be subject to the surcharge;
- pass to other regulated superannuation funds, ADFs and RSAs should your benefits be rolled over. You may revoke this authority later in writing;
- pass on with other details should you become lost and your benefits are paid to the ATO as unclaimed money.

Your failure to quote a TFN, may result in the following:

- * Other benefits existing for you in the fund may be more difficult to locate and amalgamate;
- * Higher tax rates apply to ETPs paid to you. (This may be recovered with lodgement of your next tax return);
- * Your benefits may be subject to an extra 15% contribution tax (surcharge). This may be reclaimed on application to the ATO;
- * Your TFN will not be passed to other regulated superannuation funds, ADFs and RSAs should your benefits be rolled over;
- * Your benefits may be more difficult to locate should benefits be paid to the ATO as unclaimed money.

5. Investment Performance and Risk

The Trustee intends to formulate and give effect to an investment strategy that takes account of return risks, diversification issues, cash flow requirements and future liabilities.

The assets of the Fund will be invested in the best interests of members and their dependants in a manner in which a reasonably prudent man would invest funds on behalf of others.

An investment in the fund is not guaranteed. The value of your investment can rise or fall.

6. Contributions

The Fund allows the Members and the Employer (if any) to make contributions to the Fund.

The fund also allows splittable contributions to be allocated to the member's spouse at the option of the member.

The maximum rate of taxation on employer contributions and fund earnings is 15%

7. Benefits

The amount of your benefit is the credit balance in your Accumulation Account on the date you commence to receive your benefits.

The benefit will be paid as an Account Based Pension.

If you die or are permanently unable to work because of disablement you will receive a pension equal to:

- (a) All net contributions, together with accumulated interest, and
- (b) The proceeds of any relevant insurance policy that is in force.

Alternatively you may notify the trustee in writing that you want all or part of your benefit to be paid as a lump sum.
