Dear Sir/Madam

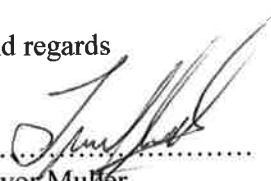

Please be advised that I wish to commence a Pension from the entire balance of my benefits as at today's date.

I believe that I am entitled to access my benefits as a "Transition to Retirement Pension" as I am presently 59 years old. I will withdraw a Pension close to the minimum.

Please advise in due course the minimum and maximum amounts payable for the Pension for the current financial year so that I may advise the actual pension I wish to receive.

I would like to take my pension payments on an annual basis.

Kind regards
