Part 3: Tax File Number Authorisations

Each of the Initial Members understand that there is no legal obligation to provide to the Trustee their Tax File Number ("TFN") but are aware that the consequences of not providing their TFN.

Each of the Initial Members individually authorise the Trustee to use their TFNs in the manner set out below.

Statutory Basis for requesting your TFN

The Trustees are authorised under the Superannuation Industry (Supervision) Act, 1993 to request and collect TFNs of members and prospective members of the Fund.

Uses to which TFN's will be put

If a member or prospective member provides their TFN, the Trustees are only permitted to use the TFN for lawful purposes including:

- (a) identifying the members/prospective members superannuation benefits where other information is not sufficient;
- (b) calculating tax due on any ETP payable to the member/prospective member;
- (c) providing the TFN to the Commissioner of Taxation for the purpose of assessing any tax on any ETP payable to the member/prospective member and for assessing any surcharge payable on superannuation contributions and other amounts made by or for the member/prospective member); and
- (d) providing the TFN to the Commissioner of Taxation for the purpose of determining an entitlement of members to a Government Co-Contribution under the Superannuation (Government Co-Contribution for Low Income Earners) Act 2003.

The lawful purposes to which TFNs are used may, because of legislative changes, alter in the future.

No obligation to provide TFN

A member/prospective member is under no legal obligation to provide their TFN. Consequently, by not providing their TFN, a member/prospective member will have committed no offence.

Consequences of not providing TFN

If a member/prospective member does not provide their TFN then the following may happen:

- (a) more tax than is otherwise due may be withheld from benefits paid to you from the Fund;
- (b) superannuation surcharge or a greater amount of surcharge may be payable in respect of surchargeable contributions of members than would otherwise be the case;
- (c) it may be more difficult to locate, identify and consolidate superannuation benefits in other funds; and
- (d) an entitlement to a Government Co-Contribution may not be payable.

The consequences of not providing TFNs may, because of legislative changes, alter in the future.

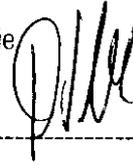

Providing TFN to other Superannuation bodies

The Trustees may provide your TFN to the trustee of another superannuation fund or to a Retirement Savings Account provider where that trustee or provider is to receive from the Fund any of the transferred/rolled over benefits of a member or prospective member. However, a TFN will not be provided to another superannuation body if the member/prospective member instructs the Trustees not to provide their TFN.

The Trustees may provide your TFN to the Commissioner of Taxation.
