## LEASE APPRAISAL

Ray White Commercial TradeCoast is pleased to present the following appraisal as requested by Ernest May of EA & LE May Superannuation Fund for the property located at 128 Lytton Road, Bulimba QLD 4170.

Recent comparable leases have achieved between **\$175 - \$250/sqm pa net + GST**. There is a lack of comparable stock in the area which we believe could help achieve a higher rental rate. We believe the current fair market rent for 128 Lytton Rd sits between **\$245 - \$265/sqm pa net + GST**. This places the current market rent between **\$155,820 - \$168,540 pa Net + GST**

Increased from 1 July 2021  
See new lease

## SALE APPRAISAL

Recent transactions of comparable properties have seen yields between **6-6.5%** being achieved. Due to the prominent location and potential future upside of your property, we believe that 128 Lytton Rd could transact at a rate of between **5.25 - 5.5%**.

At market rent, this would result in an expected sale price between **\$2,833,090 - \$3,210,285**

Previously a diesel fitter in the mining industry and prior to that running a commercial fishing business in Wales with his father, Jay was brought up on hard work. In 2015 a devastating mining accident ended Jays career. Recovering from the injury, Jay was searching for a new direction and suitable career to accompany his personality.

In 2017 Jay joined the team on a part time basis where Jonathon Jones introduced him to the commercial real estate trade. In November 2018, Jay decided to make the transition to a full time Commercial agent with a focus on the local retail, medical and office sales and leasing market. One of Jay's most enjoyable aspects of the job is the personal interaction that is had on a daily basis with clients, the team and local business owners where the majority of Jays work is conducted.

In his spare time you will find Jay perfecting his golf game on some of the globes best courses.

Brisbane Trade Coast Pty Ltd trading as Ray White Commercial TradeCoast “The Agent” has prepared this report as a means of adopting a starting point for an organised strategy for assessing the achievable lease price of this property. It is not a valuation or intended to be relied upon by any person as such (including in support of any financing application), and if professional valuation expertise is desired we should be instructed accordingly.

Of necessity all lease strategies involve strong elements of intuition and prediction and must be fluid and responsive to a variety of factors including:

- Economic cycling, financial market and borrowing cost fluctuations
- Demographic changes & seasonal trends
- Alteration in public tastes and styles of stock for which demand is sustainable
- Oversupply of stock in region or market layer
- Impact of alteration of planning or other laws
- Competing / similar properties in the vicinity of the site
- Delays in realisation due to (e.g.) building disputes
- Volatility of building costs
- Investment demand, vacancy rates

“The Agent” reserves the right to revise pricing or any strategy at any time based on the need to meet market factors and expectations.

Price is suggested taking into account recent market evidence in the locality for more or less comparable properties (constructed or in course of construction). Any price mentioned in the advertisements does not take into account any applicable Goods and Services Tax (“GST”).

Information and figures contained in this report have been obtained from various sources as noted throughout the report. We have not independently checked and verified any of the information we merely pass it on for your reference. We make no comment on and give no warranty as to the accuracy of the information contained in this report which does not constitute all or any part of any offer or contract. Zoning and land area details are as provided by RP Data and are subject to confirmation.

This property appraisal is provided as a preliminary opinion only. It does not represent a formal valuation and should not be relied upon or treated as such.

We advise that “The Agent”, is not a Registered Valuer and strongly recommend you seek professional advice from a Registered Valuer.

We reserve the right to revise this submission subject to further investigation and assessment.
