**INVESTMENT STRATEGY:**

Given that the fund's current investment strategy provides sufficient liquidity to enable the Trustee(s) to meet all pension payments, the Trustee(s) resolved that the fund's strategy remains unchanged following the commencement of the pension.

It was noted that the pension is expected to be paid for a number of years, and as such the retention of long term growth assets is appropriate for the pension.

**PAPERWORK:**

IT WAS RESOLVED to request the fund administrators to attend to the completion of the following paperwork to give effect to the establishment of the pension:

1. Register the fund for PAYG withholding tax for the purpose of withholding any relevant amounts from pension payments if required, and
2. Complete requests and arrange for Actuarial Certificates if required.
